Pizza Hut issues appointment letters to BISP beneficiaries

Islamabad () Pizza Hut Management has issued appointment letters to 13 BISP beneficiaries/ nominees for newly established Pizza Hut branch in Quetta. Already, four beneficiaries of BISP have been placed on job by the food chain in Karachi.

On the occasion, Chairman BISP stated that the Prime Minister of Pakistan Mian Muhammad Nawaz Sharif is aspiring to take BISP a step further in providing relief to the impoverished and vulnerable segments of our society. He added that through vocational training and job placements, BISP beneficiaries will be graduating out of the Programme by earning a sustainable livelihood. He said that it is a landmark achievement which has resulted from an MoU between BISP and MCR (Pvt) Ltd, which is the franchise of international food chains of Pizza Hut, Burger King and TGIF for Pakistani territory.

BISP is imparting vocational training to its selected beneficiaries in various trades under its vocational training program namely “Waseela-e-Rozgar” (WR) through public and private sector training institutes, so as to inculcate such skills into the beneficiaries, or their nominees, which would enable them to earn a respectable and decent livelihood.

BISP has already signed MoU with Korangi Association of Trade & Industries (KATI), Daewoo Pakistan Bus Service and other trade associations for providing job opportunities to BISP beneficiaries. A recent MoU was inked between BISP and SITE Association, which is the largest industrial zone in the country with over 3500 industrial units and over 500,000 workers in various capacities.

According to the memorandum, SITE has offered placement of successful BISP programme trainees in industries along with providing on-the-job training in different trades. SITE Association will determine the needs of the industry and skills development training would accordingly be provided to the beneficiaries by BISP, while their placement in the industry will be ensured by the association.
