The targeting of the beneficiaries will be undertaken in two phases. Phase – I will comprise of sixteen (16) districts across Pakistan for household level survey using “**Computer Assisted Personnel Interviewing (CAPI)**” methodology.

The Government of Pakistan has received Additional Financing from the International Development Agency (IDA - World Bank) towards the cost of the Pakistan Social Safety Net Project which among others, will support Phase – I of the update of National Socio Economic Registry. BISP intends to apply part of the resources for hiring of consulting firms for the above mentioned “**Computer Assisted Personnel Interviewing (CAPI)**” based poverty scorecard survey in following Clusters: -

The attention of interested Consulting Firms is drawn to paragraph 1.9 of the World Bank's [Guidelines: Selection and Employment of Consultants \[under IBRD Loans and IDA Credits & Grants\] by World Bank Borrowers](#) January, 2011, setting forth the World Bank's policy on conflict of interest.

Social Mobilization/Community Outreach will be one of the important conditions for achieving optimum outcome of the survey activity, therefore, Consulting Firms are encouraged to make association(s) (sub-consultancy) or Joint Ventures (JVs) to enhance their qualifications/capacity for effective communication.

Firms interested to participate in JV should submit information for each partner, which will be assessed independently regardless of capacity/experience of the other partner. For firms in arrangement of lead sub-consultant, only the experience and capacity of lead firm will be assessed. However, such arrangement should be clearly mentioned in Expressions of Interest Response.

A consultancy firm for each cluster will be selected through "**Quality & Cost Based Selection (QCBS) Method**" in accordance with the procedures set out in the World Bank's **Guidelines: Selection and Employment of Consultants by World Bank Borrowers, January 2011**, (as amended from time to time).
