1.20 Summary of Scope of Work: The main objective of this consultancy is to carry out the following activities for the Benazir Income Support Programme in Cluster: I: Mohmand Agency:-

- a) Participate in training activities offered by BISP, to adequately execute the targeting activities in line with the targeting manual.
- b) Implement a forward local Public Information Campaign in order to secure accurate information about the households and 100% coverage.
- c) Introduce the BISP and the purposes of the survey to the households/ communities during the forward public information campaign and the actual enumeration/ survey.

-
- d) Preparation of logistic plans/ tasks for collection of information about the households on the prescribed form.
 - e) Ensure all logistic requirements (availability of human and physical resources) to undertake the Targeting Process.
 - f) Collect household information by using the prescribed forms.
 - g) Delivery of the Forms: Delivered completed Targeting Forms – to the Data Entry Organization (DEO), pre-identified by BISP.
 - h) Verification/re-collection of data: Carry out the field visits to verify/re-collect information if Forms do not meet the criteria indicated in the Targeting Manual and/or verified by the Targeting Process Evaluation & Scorecard Spot Check Consultants.
 - i) Establish an internal monitoring system to ensure the quality of information collected through field enumeration.
