CHITRAL—
Chairperson
Benazir Income
Support
Program, Marvi
Memon said
that federal

government was focusing to increase volume of private sector in the public sector entities with an objective to ensure economic stability and increasing employment opportunities. Addressing the women beneficiaries of BISP at Booni and Chitral, she said that government was working to devise a comprehensive policy for utilizing the hidden capabilities of the youth. Women folk would be fully facilitated in earning livelihood by introducing various vocational training programs, she added. Marvi said that main objective of BISP is to make people self reliant by giving ample opportunities.—APP
