She further said that the Prime Minister of Pakistan Nawaz Sharif’s vision was to empower the impoverished, give dignity to the poor and give meaning to their lives through a transparent BISP system.

While appreciating the development partners for their support, she said that BISP is looking to extend its strategic partnership with different development partners including World Bank, Asian Development Bank (ADB) and Department for International Development (DFID).

For better results in future, Chairperson BISP apprised the heads of development agencies that BISP would be formulating a 100 day Plan to achieve all Disbursement Linked Targets as well as meeting PMLN welfare based vision. Programme will be focusing on giving more beneficiaries Unconditional Cash Transfer BISP cards in every district of Pakistan, updating the national socio-economic registry so as to include more beneficiaries in the net, expanding the Conditional Cash Transfer programme through enhanced collaboration with provinces, re-looking at the graduation model, and improving outreach to beneficiaries.
