REQUEST FOR PROPOSALS (RFP)

Hiring of Financial Institutions (FIs) for Payments to BISP Beneficiaries

BISP was established in 2008 and enacted under BISP Act in 2010 to provide financial assistance and other social protection and safety net measures to economically distressed and vulnerable segments of the society. It is the largest public sector social protection organization in Pakistan. Currently, it is providing financial assistance to more than 9 million families through female heads identified through National Socio-Economic Registry (NSER) survey 2017-21. BISP is making quarterly payments @ Rs.8,750/- quarter to each beneficiary under its Benazir Kafaalat i.e. Unconditional Cash Transfer (UCT) initiative. BISP has initiatives of Conditional Cash Transfer (CCT) for Education and Nutrition wherein eligible beneficiaries get quarterly cash benefits at different rates based on the compliance report on the conditionalities.

2. BISP invites Proposals from Financial Institutions (FIs) [Scheduled Banks and Microfinance Banks approved by State Bank of Pakistan (SBP)] duly registered with the Government, Income Tax and Sales Tax Departments and working through their Core Banking and Branchless Banking Systems (using Super Agents/ Agents and Sub Agents networks), as defined in “SBP’s Framework for Branchless Banking Agent Acquisition and Management”. BISP requires services of FIs to disburse cash grants to its beneficiaries through multiple distribution channels which shall include (a) BVS agents/retailers, (b) BVS ATMs, (c) BVS enabled Bank branches, and (d) BVS enabled alternate/special arrangements like campsites and cash on wheels etc., as described in Request for Proposal (RFP) Document. It is mandatory that FIs should be on Active Tax Payer List (ATL).

3. Areas for which services of FIs are being sought through the Request for Proposal (RFP) is divided into following Eight (08) clusters having the approximate numbers of Beneficiaries count:

Clusters	No of Districts	Beneficiary Count	Clusters	No of Districts	Beneficiary Count
Cluster – 4	6	647,215	Cluster – 11	9	646,218
Cluster – 6	9	666,994	Cluster – 13	9	643,868

Cluster – 10	9	614,692	Cluster – 15	8	631,802

(Note: FIs are allowed to participate in all above Clusters during bidding. However, if qualified in each of above clusters individually, each FI can be awarded Contract in maximum of four clusters including the clusters as per the previous procurement process for the subject hiring i.e RFP No.: 11(3)/CT/BISP/2018, published on 10th September, 2023. The award of the above clusters shall be distributed as follows:

- **For FIs with 3 clusters winning in previous procurement process:** In case an FI qualifies in more than one Clusters, it shall be asked to choose any 01 of the clusters and accordingly the Financial Proposals of the chosen cluster shall be opened only. Remaining Financial Proposals shall be returned unopened.
- **For FIs with 2 clusters winning in previous procurement process:** In case an FI qualifies in more than two Clusters, it shall be asked to choose any 02 of the clusters and accordingly the Financial Proposals of the chosen clusters shall be opened only. Remaining Financial Proposals shall be returned unopened.
- **For FIs with 1 cluster winning in previous procurement process:** In case an FI qualifies in more than three Clusters, it shall be asked to choose any 03 of the clusters and accordingly the Financial Proposals of the chosen clusters shall be opened only. Remaining Financial Proposals shall be returned unopened.

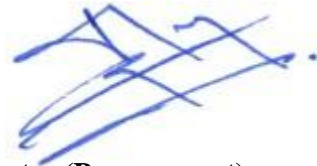

- **For FIs with no cluster winning in previous procurement process:** In case an FI having qualifies in more than four Clusters, it shall be asked to choose any 04 of the clusters and accordingly the Financial Proposals of the chosen clusters shall be opened only. Remaining Financial Proposals shall be returned unopened.

4. An FI will be selected under Least Cost Selection (LCS) Method under Procurement of Consultancy Services Regulations, 2010 read with relevant provisions of Public Procurement Rules, 2004 (as amended from time to time) and procedures described in the RFP document, which can be perused at the website: <https://www.ppra.org.pk/>.

5. The Request for Proposal (RFP) document for “**Hiring of the Financial Institutions (FIs) for Payments to BISP Beneficiaries**” containing detailed Terms of Reference (TORs), qualification criteria, evaluation criteria, general and special conditions of contract etc. is available (free of cost) on the websites of PPRa (www.ppra.org.pk) and BISP (www.bisp.gov.pk).

6. In order to brief the FIs about the project details and address the queries on the RFP (if any), a Pre-proposal conference will be held on **4th December, 2023 at 10:00 hours**. In addition, the Proposals prepared in accordance with the instructions in the RFP document must reach at the address given below on or before **1400 hours on 11th December, 2023**. <p>2. Introduction</p>	<p>2.1 The Procuring Agency named in the Data Sheet intends to select a Consultant from those listed in the Letter of Invitation, in accordance with the method of selection specified in the Data Sheet. The eligible Consultants are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the Data Sheet, for consulting services required for the assignment named in the Data Sheet. The Proposal will be the basis for negotiating and ultimately signing the Contract with the selected Consultant.</p> <p>2.2 The Consultants should familiarize themselves with the local conditions and take them into account in preparing their Proposals, including attending a pre-proposal conference if one is specified in the Data Sheet. Attending any such pre-proposal conference is optional and is at the Consultants’ expense.</p> <p>2.3 The Procuring Agency will timely provide, at no cost to the Consultants, the inputs, relevant project data, and</p>

	reports required for the preparation of the Consultant's Proposal as specified in the Data Sheet.
3. Conflict of Interest	<p>3.1 The Consultant is required to provide professional, objective, and impartial advice, at all times holding the Procuring Agency's interests paramount, strictly avoiding conflicts with other assignments or its own corporate interests, and acting without any consideration for future work.</p> <p>3.2 The Consultant has an obligation to disclose to the Procuring Agency any situation of actual or potential conflict that impacts its capacity to serve the best interest of its Procuring Agency. Failure to disclose such situations may lead to the disqualification of the Consultant or the termination of its Contract and/or sanctions by the Authority.</p> <p>3.3 Without limitation on the generality of the foregoing, the Consultant shall not be hired under the circumstances set forth below:</p>
a. Conflicting activities	(i) <u>Conflict between consulting activities and procurement of goods, works or non-consulting services:</u> a firm that has been engaged by the Procuring Agency to provide goods, works, or non-consulting services for a project, or any of its Affiliates, shall be disqualified from providing consulting services resulting from or directly related to those goods, works, or non-consulting services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, or any of its Affiliates, shall be disqualified from subsequently providing goods or works or non-consulting services resulting from or directly related to the consulting services for such preparation or implementation.
b. Conflicting assignments	(ii) <u>Conflict among consulting assignments:</u> a Consultant (including its Experts and Sub-consultants) or any of its Affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant for the same or for another Procuring Agency.
c. Conflicting relationships	(iii) <u>Relationship with the Procuring Agency's staff:</u> a Consultant (including its Experts and Sub-consultants) that has a close business or family relationship with a professional staff of the Procuring Agency, or of a recipient of a part of the financing in case the project is financed by some financing institution) who are directly or indirectly involved in any part of (i) the preparation

	<p>of the Terms of Reference for the assignment, (ii) the selection process for the Contract, or (iii) the supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Authority throughout the selection process and the execution of the Contract.</p>
<p>4. Unfair Competitive Advantage</p>	<p>4.1 Fairness and transparency in the selection process require that the Consultants or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question. To that end, the Procuring Agency shall indicate in the Data Sheet and make available to all eligible Consultants together with this RFP all information that would in that respect give such Consultant any unfair competitive advantage over competing Consultants.</p>
<p>5. Corrupt and Fraudulent Practices</p>	<p>5.1 The Authority requires compliance with its Regulatory Framework in regard to corrupt and fraudulent practices as set forth in Section 6.</p> <p>5.2 In further pursuance of this Regulatory Framework, Consultants shall permit and shall cause their agents (where declared or not), sub-contractors, sub-consultants, service providers, suppliers, and personnel, to permit the Procuring Agency to inspect all accounts, records and other documents relating to any shortlisting process, Proposal submission, and contract performance (in the case of award), and to have them audited by auditors appointed by the Procuring Agency.</p>
<p>6. Eligibility & Debarment</p>	<p>6.1 The Procuring Agency permits consultants (individuals and firms, including Joint Ventures and their individual members) from all countries to offer consulting services for the project.</p> <p>6.2 Furthermore, it is the Consultant's responsibility to ensure that its Experts, joint venture members, Sub-consultants, agents (declared or not), sub-contractors, service providers, suppliers and/or their employees meet the eligibility requirements.</p> <p>As an exception to the foregoing Clauses 6.1 and 6.2 above:</p>
<p>a. Sanctions</p>	<p>6.3 A firm or an individual declared blacklisted by the Authority in accordance with the above Clause 5.1 shall be ineligible to participate in the procurement process or to be awarded a contract, during such period of time as the Authority shall determine. The list of debarred firms and individuals is available at the electronic address specified in the Data Sheet.</p>
<p>b. Prohibitions</p>	<p>6.4 Firms and individuals of a country or goods manufactured in</p>

	a country may be ineligible if so indicated in Section 5 (Eligible Countries).
c. Restrictions for public employees	<p>6.5 Government officials and civil servants of Pakistan are not eligible to be included as Experts in the Consultant's Proposal unless such engagement does not conflict with any employment or other laws, regulations, or policies of the Government of Pakistan, and they</p> <p>(i) are on leave of absence without pay, or have resigned or retired;</p> <p>(ii) are not being hired by the same agency they were working for before going on leave of absence without pay, resigning, or retiring</p> <p>(in case of resignation or retirement, for a period of at least two years, or the period established by statutory provisions applying to civil servants or government employees whichever is longer. Experts who are employed by the government- owned universities, educational or research institutions are not eligible unless they have been full time employees of their institutions for a year or more prior to being included in Consultant's Proposal.; and</p> <p>(iii) their hiring would not create a conflict of interest.</p>
B. Preparation of Proposals	
7. General Considerations	7.1 In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.
8. Cost of Preparation of Proposal	8.1 The Consultant shall bear all costs associated with the preparation and submission of its Proposal, and the Procuring Agency shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Procuring Agency is not bound to accept any proposal, and reserves the right to annul the selection process in accordance with the procurement regulatory framework at any time prior to Contract award, without thereby incurring any liability to the Consultant.
9. Language	9.1 The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and the Procuring Agency, shall be written in the language(s)

	specified in the Data Sheet.
10. Documents Comprising the Proposal	<p>10.1 The Proposal shall comprise the documents and forms listed in the Data Sheet.</p> <p>10.2 If specified in the Data Sheet, the Consultant shall include a statement of an undertaking of the Consultant to observe, in competing for and executing a contract, the Procuring Regulatory Framework regarding corrupt and fraudulent practices.</p>
11. Only One Proposal	11.1 The Consultant (including the individual members of any Joint Venture) shall submit only one Proposal, either in its ownname or as part of a Joint Venture in another Proposal. If a Consultant, including any Joint Venture member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude aSub-consultant, or the Consultant’s staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify and if stated in the Data Sheet and subject to regulatory instructions, if any.
12. Proposal Validity	<p>12.1 Proposals shall remain valid for the period specified in the Data Sheet after the Proposal submission deadline prescribed by the PA. To ensure the validity of proposal, it shall contain bid/proposal security or bid/proposal securing declaration as a complementary bid/proposal securing instrument having the validity twenty-eight days more than the bid/proposal validity period.</p> <p>12.2 During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total price.</p> <p>12.3 If it is established that any Key Expert nominated in the Consultant’s Proposal was not available at the time of Proposal submission or was included in the Proposal without his/her confirmation, such Proposal shall be disqualified and rejected for further evaluation, and may be subject toblacklisting and debarment in accordance with Clause 5 of thisITC.</p>
a. Extension of Validity Period	12.4 If considered necessary, an extension can be made in case of exceptional circumstances (beyond the control of the procuring agency) after recording the reason(s) in writing. Such extension shall be only once, and the period of the extension should be determined keeping in view of the circumstances under which such extension is deemed to be

	<p>necessary, however, the same shall not be more than the original bid validity period. The request and the responses shall be made in writing. Moreover, any such extension shall be solicited and procured in advance prior to the expiry of original (or initial) bid validity period. Bid/Proposal Securing Instrument shall also be extended in conformity with the period of extension.</p> <p>12.5 If the Consultant agrees to extend the validity of its Proposal, it shall be done without any change in the original Proposal and with the confirmation of the availability of the Key Experts.</p> <p>12.6 The Consultant has the right to refuse to extend the validity of its Proposal in which case such Proposal will not be further evaluated.</p>
<p>b. Substitution of Key Experts at Validity Extension</p>	<p>12.7 If any of the Key Experts become unavailable for the extended validity period, the Consultant shall provide a written adequate justification and evidence satisfactory to the Procuring Agency together with the substitution request. In such case, a replacement Key Expert shall have equal or better qualifications and experience than those of the originally proposed Key Expert. The technical evaluation score, however, will remain to be based on the evaluation of the CV of the original Key Expert.</p> <p>12.8 If the Consultant fails to provide a replacement Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to the Procuring Agency, such Proposal will be rejected.</p>
<p>c. Sub-Contracting</p>	<p>12.9 The Consultant shall not subcontract the whole of the Services.</p>
	<p>12.10 The Proposal Securing Declaration is required to protect the Procuring Agency against the risk of Consultant's conduct which would warrant the consultant to face the blacklisting or debarment proceedings in accordance with regulatory framework.</p>
	<p>12.11 Any Proposal not accompanied by a Proposal Securing Declaration shall be rejected by the Procuring Agency as non-responsive.</p>
	<p>12.12 The Proposal Securing Declaration of a joint venture must be in the name of the joint venture submitting the Proposal.</p>

	<p>12.13 The successful Consultant’s Proposal Securing Declaration will be discharged upon the signing the contract with the Successful Consultant, and furnishing the performance security.</p>
	<p>12.14 A Consultant shall be suspended from being eligible for tendering in any contract with the Procuring Agency for the period of time indicated in the Proposal Securing Declaration:</p> <ul style="list-style-type: none"> (a) if the Consultant withdraws its Proposal, except as provided in ITC 12.6 or (b) in the case of a successful Consultant, if the Consultant fails within the specified time limit to: <ul style="list-style-type: none"> (i) sign the contract, or (ii) furnish the required performance security
<p>13. Clarification and Amendment of RFP</p>	<p>13.1 The Consultant may request a clarification of any part of the RFP during the period indicated in the Data Sheet before the Proposals’ submission deadline. Any request for clarification must be sent in writing, or by standard electronic means, to the Procuring Agency’s address indicated in the Data Sheet. The Procuring Agency will respond in writing, or by standard electronic means, and will send written copies of the response (including an explanation of the query but without identifying its source) to all eligible Consultants. Should the Procuring Agency deem it necessary to amend the RFP as a result of a clarification or at its own initiative, it shall do so following the procedure described below:</p> <ul style="list-style-type: none"> i. At any time before the proposal submission deadline, the Procuring Agency may amend the RFP by issuing an amendment in writing or by standard electronic means. The amendment shall be sent to all shortlisted Consultants and will be binding on them. The shortlisted Consultants shall acknowledge receipt of all amendments in writing. ii. If the amendment is substantial, the Procuring Agency may extend the proposal submission deadline to give the shortlisted Consultants reasonable time to take an amendment into account in their Proposals. <p>13.12 The Consultant who has already submitted the proposal prior to any amendments in the RFP, may submit a modified Proposal or a modification to any part of it based on the respective amendment in the RFP at any time prior</p>

	<p>to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline.</p>
<p>14.Preparation of Proposals – Specific Considerations</p>	<p>14.1 While preparing the Proposal, the Consultant must give particular attention to the following:</p> <ul style="list-style-type: none"> i. The Procuring Agency may indicate in the Data Sheet the estimated Key Experts’ time input (expressed in person-month) or the Procuring Agency’s estimated total cost of the assignment, but not both. This estimate is indicative and the Proposal shall be based on the Consultant’s own estimates for the same. ii. If stated in the Data Sheet, the Consultant shall include in its Proposal at least the same time input (in the same unit as indicated in the Data Sheet) of Key Experts, failing which the Financial Proposal will be adjusted for the purpose of comparison of proposals and decision for award in accordance with the procedure in the Data Sheet. iii. For assignments under the Fixed-Budget selection method, the estimated Key Experts’ time input is not disclosed. Total available budget, with an indication whether it is inclusive or exclusive of taxes, is given in the Data Sheet, and the Financial Proposal shall not exceed this budget.
<p>15.Technical Proposal Format and Content</p>	<p>15.1 The Technical Proposal shall not include any information regarding Financial Proposal. A Technical Proposal containing material financial information shall be declared non-responsive.</p> <p>15.2 Depending on the nature of the assignment, the Consultant is required to submit a Full Technical Proposal (FTP), or a Simplified Technical Proposal (STP) as indicated in the Data Sheet and using the Standard Forms provided in Section 3 of the RFP.</p>
<p>16.Financial Proposal</p>	<p>16.1 The Financial Proposal shall be prepared using the Standard Forms provided in Section 4 of the RFP. It shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) reimbursable expenses indicated in the Data Sheet.</p>
<p>a. Taxes</p>	<p>16.2 The Consultant and its Sub-consultants and Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the Data Sheet. Information on taxes in the Procuring Agency’s country is</p>

	provided in the Data Sheet.
b. Currency of Proposal	16.3 The Consultant may express the price for its Services in the currency or currencies as stated in the Data Sheet. If indicated in the Data Sheet, the portion of the price representing local cost shall be stated in the national currency.
c. Currency of Payment	16.4 Payment under the Contract shall be made in the currency or currencies in which the payment is requested in the Proposal.

C. Submission, Opening and Evaluation

17. Submission, Sealing, and Marking of Proposals	<p>17.1 The Consultant shall submit a signed and complete Proposal comprising the documents and forms in accordance with Clause 10 (Documents Comprising Proposal). The submission can be done by mail or by hand. If specified in the Data Sheet, the Consultant has the option of submitting its Proposals electronically.</p> <p>17.2 An authorized representative of the Consultant shall sign the original submission letters in the required format for both the Technical Proposal and, if applicable, the Financial Proposal and shall initial all pages of both. The authorization shall be in the form of a written power of attorney attached to the Technical Proposal.</p> <p style="padding-left: 40px;">17.2.1 A Proposal submitted by a Joint Venture shall be signed by all members so as to be legally binding on all members, or by an authorized representative who has a written power of attorney signed by each member's authorized representative.</p> <p>17.3 Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Proposal.</p> <p>17.4 The signed Proposal shall be marked "ORIGINAL", and its copies marked "COPY" as appropriate. The number of copies is indicated in the Data Sheet. All copies shall be made from the signed original. The inner envelopes containing the Substitution Proposal shall be exchanged for the corresponding Original Proposal being substituted, which is to be returned to the Consultant unopened. No envelope shall be substituted unless the corresponding Substitution Notice contains a valid authorization to request the substitution and is read out and recorded at bid opening.</p> <p>19.4 Next, outer envelopes marked "MODIFICATION" shall</p>

	<p>be opened. No Technical Proposal and/or Financial Proposal shall be modified unless the corresponding Modification Notice contains a valid authorization to request the modification and is read out and recorded at the opening of the Proposal. Any Modification shall be read out along with the Original Proposal except in case of Single Stage Two Envelope Procedure where only the Technical Proposal, both Original as well as Modification, are to be opened, read out, and recorded at the opening. Financial Proposal, both Original and Modification, will remain unopened till the prescribed financial Proposal opening date.</p> <p>19.5 The Procuring Agency’s evaluation committee shall conduct the opening of the Technical Proposals in the presence of the Proposer Consultants’ authorized representatives who choose to attend (in person, or online if this option is offered in the Data Sheet). The opening date, time and the address are stated in the Data Sheet. The envelopes with the Financial Proposal shall remain sealed until they are opened in accordance with Clause 23 of the ITC.</p> <p>19.6 At the opening of the Technical Proposals the following shall be read out: (i) the name and the country of the Consultant or, in case of a Joint Venture, the name of the Joint Venture, the name of the lead member and the names and the countries of all members; (ii) the presence or absence of a duly sealed envelope with the Financial Proposal; (iii) any modifications to the Proposal submitted prior to proposal submission deadline; and (iv) any other information deemed appropriate or as indicated in the Data Sheet.</p>
<p>20.Proposals Evaluation</p>	<p>20.1 Subject to provision of Clause 15.1 of the ITC, the evaluators of the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.</p> <p>20.2 The Consultant is not permitted to alter or modify its Proposal in any way after the proposal submission deadline. While evaluating the Proposals, the Procuring Agency will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.</p>
<p>21.Evaluation of Technical Proposals</p>	<p>21.1 The Procuring Agency’s evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score. A Proposal shall be rejected at this</p>

	stage if it does not respond to important aspects of the RFP or if it fails to achieve the minimum technical score indicated in the Data Sheet .
22.Financial Proposals for QBS	<p>22.1 Following the ranking of the Technical Proposals, when the selection is based on quality only (QBS), the top-ranked Consultant is invited to negotiate the Contract.</p> <p>22.2 Only the Financial Proposal of the technically top-ranked Consultant (as predefined in the Evaluation Criteria) is opened by the Procuring Agency’s evaluation committee. All other Financial Proposals are returned unopened after the Contract negotiations are successfully concluded and the Contract is signed.</p>
23.Public Opening of Financial Proposals (for QCBS, FBS, and LCS methods)	<p>23.1 After the technical evaluation is completed, the Procuring Agency shall issue the Technical Evaluation Report containing all the information regarding responsiveness or non-responsiveness of the consultant along with the technical scores. The Financial Proposals of non-responsive consultants will be returned unopened after completing the selection process and Contract signing. The Procuring shall notify in writing those Consultants that have achieved the minimum overall technical score and inform them of the date, time and location for the opening of the Financial Proposals. The opening date should allow the Consultants sufficient time to make arrangements for attending the opening. The Consultant’s attendance at the opening of the Financial Proposals (in person, or online if such option is indicated in the Data Sheet) is optional and is at the Consultant’s choice.</p> <p>23.2 The Financial Proposals shall be opened by the Procuring Agency’s evaluation committee in the presence of the representatives of those Consultants whose proposals have passed the minimum technical score. At the opening, the names of the Consultants, and the overall technical scores, including the break-down by criterion, shall be read aloud. The Financial Proposals will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded. Copies of the record shall be sent to all Consultants who submitted Proposals.</p>
24.Correction of Errors	24.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.

a. Lump-Sum Contracts	24.1.1 If a Lump-sum contract form is included in the RFP, the Procuring Agency’s evaluation committee will (a) correct any computational or arithmetical errors, and (b) adjust the prices if they fail to reflect all inputs included for the respective activities or items in the Technical Proposal. In case of discrepancy between (i) a partial amount (sub-total) and the total amount, or (ii) between the amount derived by multiplication of unitprice with quantity and the total price, or (iii) between words and figures, the former will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and the Procuring Agency’s evaluation committee shall correct the quantification indicated in theFinancial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.
25.Taxes	25.1 The Procuring Agency’s evaluation of the Consultant’s Financial Proposal shall exclude taxes and duties in the in accordance with the instructions in the Data Sheet .
26.Conversion to Single Currency	26.1 For the evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the Data Sheet .
27.Combined Quality and Cost Evaluation	
a. Quality- and Cost-Based Selection (QCBS)	27.1 In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the Data Sheet. The Consultant achieving the highest combined technical and financial score will be invited for negotiations.
b. Fixed-Budget Selection (FBS)	27.2 In the case of FBS, those Proposals that exceed the budget indicated in Clause 14.1.4 of the Data Sheet shall be rejected. 27.3 The Procuring Agency will select the Consultant that submitted the highest-ranked Technical Proposal that does not exceed the budget indicated in the RFP, and invite such Consultant to negotiate the Contract.
Least-Cost Selection	27.4 In the case of Least-Cost Selection (LCS), the Procuring Agency will select the Consultant with the lowest

	evaluated total price among those consultants that achieved the minimum technical score, and invite such Consultant to negotiate the Contract.
D. Negotiations and Award	
28. Negotiations	<p>28.1 The negotiations will be held at the date and address indicated in the Data Sheet with the Consultant’s representative(s) who must have written power of attorney to negotiate and sign a Contract on behalf of the Consultant.</p> <p>28.2 The Procuring Agency shall prepare minutes of negotiations that are signed by the Procuring Agency and the Consultant’s authorized representative.</p>
a. Availability of Key Experts	<p>28.3 The invited Consultant shall confirm the availability of all Key Experts included in the Proposal as a pre-requisite to the negotiations, or, if applicable, a replacement in accordance with Clause 12 of the ITC. Failure to confirm the Key Experts’ availability may result in the rejection of the Consultant’s Proposal and the Procuring Agency proceeding to negotiate the Contract with the next-ranked Consultant.</p> <p>28.4 Notwithstanding the above, the substitution of Key Experts at the negotiations may be considered if due solely to circumstances outside the reasonable control of and not foreseeable by the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall offer a substitute Key Expert within the period of time specified in the letter of invitation to negotiate the Contract, who shall have equivalent or better qualifications and experience than the original candidate.</p>
b. Technical negotiations	28.5 The negotiations include discussions of the Terms of Reference (TORs), the proposed methodology, the Procuring Agency’s inputs, the special conditions of the Contract, and finalizing the “Description of Services” part of the Contract. These discussions shall not alter the original scope of services under the TORs or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.
c. Financial Negotiations	28.6 There shall be no financial negotiations, however, it may include only the clarification of the Consultant’s

	<p>tax liability and how it should be reflected in the Contract.</p>
<p>29. Conclusion of Negotiations</p>	<p>29.1 The negotiations are concluded with a review of the finalized draft Contract, which then shall be initiated by the Procuring Agency and the Consultant’s authorized representative.</p> <p>29.2 If the negotiations fail, the Procuring Agency shall inform the Consultant in writing of all pending issues and disagreements and provide a final opportunity to the Consultant to respond. If disagreement persists, the Procuring Agency shall terminate the negotiations informing the Consultant of the reasons for doing so; and the Procuring Agency will invite the next-ranked Consultant to negotiate a Contract. Once the Procuring Agency commences negotiations with the next-ranked Consultant, the Procuring Agency shall not reopen the earlier negotiations.</p>
<p>30. Award of Contract</p>	<p>30. Subject to ITC 29, the Procuring Agency will award the Contract to the Consultant whose Proposal has been determined to be substantially responsive to the RFP Documents and who has been declared as Most Advantageous Consultant, provided that such Consultant has been determined to be:</p> <ul style="list-style-type: none"> a) eligible in accordance with the provisions of ITC 6; b) is determined to be qualified to perform the Contract satisfactorily; and c) Successful negotiations have been concluded, if any.
<p>31. Section 7. Terms of Reference (TORs)

1. Introduction& Background

BISP was established in 2008 and enacted under BISP Act in 2010 to provide financial assistance and other social protection and safety net measures to economically distressed and vulnerable segments of the society. It is the largest public sector social protection organization in Pakistan. Currently, it is providing financial assistance to more than 9 million families through female heads identified through National Socio-Economic Registry (NSER) survey 2017-21. BISP is currently making quarterly payments @ Rs.8,750/quarter to each beneficiary under its Benazir Kafaalat i.e. Unconditional Cash Transfer (UCT) initiative. BISP has initiatives of Conditional Cash Transfer (CCT) for Education and Nutrition wherein eligible beneficiaries get quarterly cash benefits at different rates based on the compliance report on the conditionalities. The amount of quarterly payments as well as the number of beneficiaries under UCT and CCT may change as and when decided by the Federal Government. BISP has the mandate to initiate other similar initiatives for eligible beneficiaries identified through its NSER. Currently, BISP is updating its database (i.e. NSER) through Dynamic Registry Centers. The eligibility criteria may be revisited, and beneficiaries may be included as well as excluded from the program in the next financial year 2024-25, as per decision of the BISP.

BISP has a well-documented funds disbursement mechanism for its beneficiaries. BISP is currently paying disbursements through Biometric Verification System (BVS) to more than 9 million beneficiaries throughout Pakistan, without any exceptions. BVS has been adopted as a payment mechanism due to its transparency and the availability of branchless banking (BB) network across the country. The BVS based payment solution has further improved real time reporting, reconciliation and complaints redressal leading to efficient service delivery to the BISP beneficiaries. However, the current BVS system and banking contracts have some

drawbacks as well, which has led to various problems. The overview of the current system is as follows:

PROS	CONS
Easy and Bulk Enrollment	Fraudulent Practices
Simplest KYC	Biometric Failures
Vast Network of Branchless Banking	No Inter-Operability
Efficient	Limited Monitoring Responsibility by Banks
Convenient	Crowding on initial days of disbursement cycle
	Non-serving at Banks' branches

2. BISP MIS Support Services

Transparency of processes is the hallmark of BISP. BISP provides financial assistance to its beneficiaries quarterly/periodically using its robust MIS system with the following capabilities:

- BISP's MIS is fully capable for exchange of millions of transactions and data through integrated web services with Financial Institutions (FIs) in an automated manner (24/7). This includes activities such as enrollments, deposits (credit), withdrawals (debit), de-credit, biometric logs, withdrawal points, and other relevant activities.
- Processing, data sharing, reporting, reconciliations and monitoring of payments to millions of beneficiaries for its various initiatives.
- Automated Payment Complaint Management System (PCMS) having the capability to integrate with FIs for beneficiaries' complaints handling & resolutions/redressal systems.
- Complete Audit Trail capabilities as per the operational requirements.

3. BISP External Controls

BISP has in place Process Evaluations, Spot Checks, as part of its external quality control mechanisms besides external audits and impact evaluations. All payment mechanisms are

subject to these evaluations and audits from time to time. FIs are expected to improve their systems and processes in the light of these evaluations and audits.

4. BISP Internal Controls

BISP has in place its internal payments monitoring & evaluation and audit mechanisms. All prospective FIs and their agents will be expected to improve services on continuous basis, based on the recommendations of the internal M&E and audit reports. Further, FIs will share their own designs and controls with BISP on tasks detailed in these TORs for more coordinated and efficient control over payment disbursements and related infrastructure.

5. BISP Social Audits & Accountabilities

Social audits and social accountability mechanisms through Federal Ombudsman, Court Orders and Prime Minister's Citizen Portal etc. are part of the BISP's eco system. FIs must also need to be aware of all these systems/mechanisms and respond to the directions received through these mechanisms.

6. BISP Service Standards to its beneficiaries

BISP handles complaints through its automated Case Management System (CMS)/ Payment Complaints Management System (PCMS) extended across BISP headquarters, zonal and tehsil offices and through a dedicated toll-free call center established at BISP headquarters. Payments related complaints are to be handled primarily by FIs. BISP's PCMS is capable of integration with FIs Complaint Resolution Mechanisms (CRMs) in an automated and real time environment, for efficient and timely resolution of complaints through agreed TATs.

7. Objectives

Based on lessons learnt in the BVS payment mechanisms during the last few years, BISP plans to further improve the system and create an environment where more than 9 million beneficiaries can get their payments in a dignified, secure and efficient manner. In this regard, BISP has set forth its objectives to hire the services of Financial Institutions for the provision of disbursement account (Limited Mandate) and interoperable cash withdrawal through BVS enabled touch points; that is:

- (i) To further expand and improve the already existing BVS based payment mechanism across the country along with creating interoperability on cash

withdrawal enabling the beneficiary to select the BVS touch point of her choice, from among the various distribution channels of the prospective FIs.

- (ii) To ensure that BVS based payments are provided by the prospective FIs through BB Agents, BVS Payments at the Branches and BVS ATMs in an efficient, transparent and cost-effective manner, while empowering the beneficiaries to choose any accessible BVS cash withdrawal points as per their convenience.
- (iii) To open and maintain BISP's main account with each prospective FI, wherein, funds provided by BISP on periodic/quarterly basis will be transferred for onward disbursements to beneficiaries' Account (LMA) for withdrawals through the available payment channels.
- (iv) To open Limited Mandate Account (LMA) of the beneficiary within the Core Banking Platform of the FIs, while ensuring:
 - a. All KYC requirements of State Bank of Pakistan (SBP) for opening of Account, including but not limited to biometric verification of the BISP beneficiary and verification of CNIC data from NADRA.
 - b. Provision of biometric Cash Withdrawal from LMA through various payment channels and systems.
 - c. Restricted accounts funded only through cash transfers from BISP and withdrawals through BVS enabled touch points.
- (v) To open Level-1 accounts of the beneficiaries within the core banking platform of the FIs, when and if decided by BISP.
- (vi) To integrate BISP's MIS with prospective FIs' MIS for payments disbursal, reporting, and data reconciliation on real time basis.
- (vii) To ensure strong criteria for BB agent selection and on-boarding by the FIs as per SBP's Framework for Branchless Banking Agent Acquisition and Management for providing efficient customer services for BISP beneficiaries.

- (viii) To ensure that the BVS based web service provided by the FIs have built in safeguards and encryptions to check risks of frauds and embezzlements relating to BVS based payment disbursements and withdrawals.
- (ix) To put in place transparent and effective service delivery mechanisms by the FIs characterized by a strong M&E and grievance redressal system for the BISP beneficiaries.
- (x) To integrate prospective FIs CRMs with BISP's CRM/PCMS for processing, handling, managing and resolving beneficiaries' payment related complaints in an automated manner within the agreed TATs.
- (xi) To ensure beneficiary awareness and communication about stipend amount, BVS usage and their rights through brochures, pamphlets, SMS and other communication tools.
- (xii) To ensure real time fraud detection and generate report alerts for any abnormal and suspicious activity through its fraud management system.
- (xiii) To have the ability to develop and integrate any future innovative technology as per BISP's directions and in the light of SBP's relevant regulations, including any interoperability functionality introduced by SBP and/or PTA.

8. Scope of Services

In order to meet the above objectives, the scope of services comprise of the following tasks:

- BISP is seeking services of FIs as payment agencies through their Core Banking and Branchless Banking systems; with the involvement of Super Agents/ Agents and Sub Agents as defined in “**SBP's Framework for Branchless Banking Agent Acquisition and Management**” and through any other BVS cash point including BVS ATMs, **and/or any other pertinent regulations/SOPs etc. issued by SBP from time to time.**
- Areas, for which BVS payment services are being sought through these TORs / RFP, have been divided into clusters. Award of the contract shall be based on the evaluation criteria.

-
- BISP requires that participating FIs shall disburse cash grants through multiple distribution channels which shall include a) BVS agents/retailers b) BVS ATMs c) BVS enabled Bank branches and d) BVS enabled alternate/special arrangements like campsites and cash on wheels etc.
 - As ‘Interoperability’ is expected to be available in the BB ecosystem through different upcoming schemes being launched by the Regulators, hence FIs shall have the system capability to integrate with such initiatives to provide inter-operability solution at BVS ATMs and BVS POS Agents to BISP within three months from the full scale launch of any such inter-operability scheme in the branchless banking industry, without any additional cost to BISP, while fulfilling the requirements of these TORs and subsequent contracts.
 - Till the time inter-operability is not available, FI shall bring on board more than one BVS Agent/retailer network through partner agreements, besides ensuring arrangements at b), c) and d) above.
 - Partnership arrangements with other FIs/Digital Banks to increase geographical coverage and outreach for BISP beneficiaries shall be made.
 - At least two BVS touch points (BVS sub-agent/agent, BVS enabled branch and BVS ATM etc.), shall be provided for each Union Council/Town Committee with an exception where number of beneficiaries are less than 50. The spread of the BVS touch points shall ensure the principles to avoid monopolization. This shall include, but not limited to, providing multiple touch points with easy access to the beneficiaries in a particular area within the Tehsil. Furthermore, additional BVS touch points shall be provided as and when required by BISP.
 - In case the FI fails to provide required number of BVS touch points in a Union Council, it shall provide special biometric enabled disbursement arrangement such as campsite, cash on wheel etc. in that Union Council.
 - The FIs shall enrol the beneficiaries in bulk while ensuring biometric verification and fulfilment of KYC requirements. The FIs shall enrol any large number of new

- beneficiaries and block beneficiary accounts, as per BISP's instructions during the course of the contract.
- The FIs shall provide various biometrically enabled services such as enrolment, cash deposit, cash withdrawal, re-verification etc. with report back facility, as per BISP's instructions.
 - Contract with the successful bidders shall be executed for a period of three years with the possibility of extension for another two years without any further cost implications for BISP. However, the contract shall have a termination clause subject to conditions enunciated in the contract.

Task 1

1.1 FI's IT System Requirements and Integrations between BISP and FI

- i. BISP and FI will integrate their Systems/MISs for exchange of data in real time.
- ii. FI's platforms must be capable of receiving/processing payment generations data against millions of beneficiaries' accounts from BISP's MIS, 24/7 without any downtime on real time basis.
- iii. FI's System must be capable of reporting beneficiaries' accounts activities through integration with BISP Systems including deposits (credits), withdrawals (debits), from LMA, de-crediting the LMA account, blocking of LMA account, biometric verification of various blocked beneficiaries, biometric logs, reporting withdrawal points and/or any other activities without any downtime or delays, to the BISP's MIS, 24/7 without any downtime on real time basis.
- iv. FIs shall depute focal persons including Technology, MIS, Operational, Fraud Management and Reconciliation for system-based reporting/reconciliation.
- v. FIs shall establish a dedicated call center and allocate dedicated and properly trained call center agents to facilitate BISP beneficiaries in respective regional languages in order to resolve their grievance as per the SOPs formulated by the of FI for the BISP beneficiaries. The IVRs at the call center will also be in regional languages for facilitating the beneficiaries. There shall be a minimum of 15 agents dedicatedly servicing the beneficiaries of BISP for each cluster.

-
- vi. FIs shall block & unblock withdrawals from beneficiaries' LMAs and system-based reports should be shared with BISP on real time basis as per BISP instructions.
 - vii. FIs, on the award of the contract, shall be required to incorporate technical specifications/parameters/ address library provided by BISP's MIS for required services to directly integrate Complaint Management and Reporting Systems in an automated manner.
 - viii. FIs, on the award of the contract, shall share details of BVS touch points' (designated for BISP) including BVS POS, BVS ATMs, BVS Branches and other BVS cash withdrawal points along-with required information (Master agent/agent name, GPS coordinates of the locations-districts/tehsil/union council/town committee wise as per BISP given address library, phone number of agent etc.) to BISP MIS in automated environment. Any change in the initially provided information, including blocking or inclusion of any touch point, shall be shared with BISP MIS in real time, during the course of the contract.
 - ix. FIs shall report the details of BVS attempts (successful and unsuccessful) of the beneficiary at the time of withdrawal, re-verification, new enrollment etc. as per BISP's given specifications. FIs shall ensure system-based Complaint Resolution Mechanisms (CRMs) which must be capable of integrating with BISP PCMS for beneficiaries' complaints handling & resolution/redressal mechanism as per BISP requirements.
 - x. FIs IT systems must have strong audit trails capability as per SBP's relevant regulations/guidelines, to cater for any type of BISP needs as and when required.
 - xi. FIs Fraud Management system must have the capability to identify fraud and generate report alerts for any abnormal and suspicious activity for fraud management.
 - xii. FIs shall develop a fully automated system for reconciliation of information, including but not limited to enrolment, deposits, withdrawals, de-credit and re-credit, as per requirements of BISP.
 - xiii. FIs shall create an automated system for de-crediting as per the policy guidelines of BISP.

-
- xiv. FIs shall provide a dashboard to BISP showing reports on various operational aspects including enrolments, deposits, withdrawals, de-credit/re-credit, complaints, call-center queries etc.
 - xv. FIs shall complete the API developments and integration of reporting systems with BISP regarding enrolment, deposits, withdrawals, reconciliation, de-credit/re-credit etc. within 60 days of signing of contracts. The integration of the respective CRM with PCMS of BISP shall be completed within 6 months of signing of contract. During this period of development, the FIs and BISP shall grant access to each other in their respective complaint management systems. A plan shall be shared with the technical proposal which shall be evaluated accordingly.
 - xvi. FIs shall provide control or service/API to BISP HQ power/admin users to mark block/blacklist POS/Franchise.
 - xvii. FIs shall ensure Biometric login for POS agents after every 2 hours session
 - xviii. FIs shall ensure System generated SMS on transactions e.g. Deposit, Withdrawal, De-Credit etc.
 - xix. A comprehensive dashboard and reports shall be provided by FIs covering the following.
 - i. Region wise availability of reporting dashboards to get information regarding banks and withdrawal points
 - ii. Executive Dashboards for BISP Management and regional offices. Dashboards to measure performance of banks for the head office staff and upper management
 - iii. Identifying inefficient POS/Franchises/KPIs
 - iv. Implementation of advanced analytics solutions to help BISP overcome current challenges. These can include the potential use cases highlighted by BIPS in addition to other use cases identified in future
 - xx. The FIs shall generate alerts on following type of activities
 - i. Off hour withdrawal payments through POS/Franchise

-
- ii. Out of district payments through POS/Franchise
 - iii. The beneficiary's biometrics failure on 8 and then 16 attempts. If a beneficiary is blocked due to such activities, it shall be reported to BISP MIS. Additionally, services shall be developed to allow power/adminusers from BISP HQ to block/unblock such beneficiaries etc.
 - iv. Invalid GPS, MAC, IMEI, IP etc. against withdrawal point
 - v. Breaking geo-fencing (50 meter) during withdrawal transactions
 - vi. Withdrawal transactions from withdrawal points which are not registered with BISP MIS
 - vii. The POS/Franchisee performing more than 300 transactions in a day
 - viii. Reporting transactions after 24 hours
 - ix. POS/Franchise processing withdrawal transactions in less than a minute interval
 - x. Withdrawal of death cases if linked with NADRA database
 - xi. Any additional alert as and when required by BISP
- xxi. Reconciliation of recovered /unrecovered complaints shall be developed.
 - xxii. The reporting and reconciliation shall be in real-time through integrations and APIs, unless required otherwise by BISP.
 - xxiii. The FIs need to establish and maintain connectivity with NTC at their own expenses for reporting purposes.

Task 2

2.1 Accounts Opening and Management

2.1.1 Opening of Main Account for BISP

- i. FIs shall open and maintain main Accounts for BISP's each initiative as required by BISP from time to time. BISP's main account is meant only for receipt and disbursements of BISP funds (including de-credited funds) and cannot be used for any other purpose whatsoever. Only BISP related funds shall be deposited and

-
- withdrawn from this account. Even service charges paid to the FI shall not be deposited in the BISP's main account.
- ii. FIs shall provide online access to BISP's Main Account(s) to BISP. BISP shall have viewing and printing access to all aspects of its main account(s) including statements, transactions details and other information as per BISP requirements.
 - iii. The closure of the BISP's main account for any of the initiative shall be as per instructions to the FI.

2.1.2 Opening LMAs for Beneficiaries

- i. FIs shall open Limited Mandate Accounts (LMA) for BISP beneficiaries for disbursement of cash assistance.
- ii. Only BISP related transactions (deposits) shall be allowed in such LMAs. FIs must be capable to initiate bulk accounts opening services as per BISP requirements.
- iii. BISP beneficiary shall have only one option at the BVS enabled touch point i.e. to withdraw the funds from LMA.
- iv. FIs must ensure fulfilment of all KYC requirements as per SBP Regulations along with biometric verification for accounts (LMA) opening at the time of first withdrawal. Withdrawals from LMA shall be allowed through BVS enabled touch points via Original Valid CNIC and biometric verification on real time basis with NADRA, or as per BISP's instructions in the light of SBP's relevant regulations/guidelines. FI shall also develop a functionality to capture the existing mobile number/ MSISDN of the beneficiaries at the time of enrolment. The same shall be subsequently shared with BISP. This shall be demonstrated in the technical proposal.
- v. The FIs must at any time also block beneficiary accounts in real time manner without any delay, if the same is required, as per BISP's instructions.
- vi. With the availability of new NSER results, the FIs must be able to enrol/ open accounts of a large number of new beneficiaries through Bulk Functionality and also block accounts of beneficiaries exiting from the programme, as per BISP's instructions.

2.1.3 Opening Level 1 Account for Beneficiaries

- i. FIs will open Level 1 account for BISP beneficiaries under the branchless banking regulations of SBP whenever BISP management decides to undertake this initiative. SOPs for operating Level 1 account, if allowed by BISP, shall be established subsequently.
- ii. These Level 1 accounts should be fully owned by the beneficiaries. FIs must be capable to initiate bulk accounts opening services as per BISP requirements as and when required.
- iii. BISP beneficiary shall have the option of all Branchless Banking transactions within the scope of this account, while direct linking with the LMA account under the same CNIC of beneficiary maintained with the same FI.
- iv. FIs must ensure fulfilment of all KYC requirements as per SBP Regulations along with biometric verification for account opening at the time of first withdrawal. FI shall ensure that all Level 1 accounts are opened on the biometrically verified SIMs of the beneficiaries.

2.2 KYC Requirements for Opening and Operating LMAs

- i. FI shall activate beneficiaries' accounts in an automated manner after performing KYC before the time of first withdrawal except biometric verification, which will be at the time of withdrawal.
- ii. FI shall be responsible for KYC (Know Your Customers) of the BISP beneficiaries at the time of first withdrawal, as per BISP's instructions in the light of SBP's relevant regulations/guidelines.
- iii. In case of exceptions i.e. faded finger prints, upper limb amputee, lower limb amputee etc. the FI shall carry out KYC in the light of SBP's relevant regulations/ guidelines and offer an alternate mechanism for withdrawal to such beneficiaries as per BISP's instructions.

Task 3

3.1 Funds Flow Mechanism

3.1.1 Funds Flow from BISP to Financial Institution

- i. BISP MIS shall generate payments for its beneficiaries on quarterly/periodic basis or as per their requirements and shall share the data with FI platform through directly

- integrated MIS in an automated manner. The data shall be first reconciled/aligned by the FI and the alignment of data shall be acknowledged by the FI to BISP's MIS.
- ii. Funds for each initiative shall be handed over to FI through cross cheque to be deposited in the BISP's Main account for each initiative (Kafaalat, Nashonuma, Taleemi Wazaif etc.), after confirmation of data alignment between BISP's MIS and FI's MIS.
 - iii. FIs shall ensure deposit of the de-credited funds from LMAs of the beneficiaries to BISP's Main account and subsequently in the government treasury as per BISP's policy/ instructions and shall immediately provide proof of such a deposit to BISP.
 - iv. FIs shall be liable to provide BISP any analytical reports, data or requirements regarding BISP main Accounts, activities including depositing (Crediting), withdrawals (Debiting), de-crediting and other transactions related information as per BISP requirements/instructions from time to time through the integration of the systems.
 - v. FIs shall provide monthly statements of Main Accounts to BISP.
 - vi. In addition to quarterly/periodic disbursements, BISP shall also provide FIs with the Advance Funds for payment at account opening/activation as well as for other initiatives if required.

3.1.2 Funds Flow from Financial Institution to Beneficiaries and Disbursement

- i. Once funds are deposited in BISP Main account, FIs shall be responsible to disburse (Credit) in each beneficiary's LMA, within 24 hours after cheque clearance, in an automated and real time manner without any delay or downtime according to the BISP-MIS shared generated amounts against each beneficiary for the relevant program as per the BISP instructions or requirements. Any lapse shall be penalized as per the KIBOR rate.
- ii. FI shall ensure that its system allows the beneficiary to have only one option at the payment point for LMA account i.e. to withdraw the cash amount from her account. Also, the system shall ensure that when the transaction is being conducted at BVS Agent, no partial withdrawal is allowed. Whereas partial withdrawals shall be

allowed when the transaction is being conducted at the BVS ATM or BVS enabled branches.

- iii. FI shall be liable to update/report BISP all and any data or requirements through the web-service/API regarding BISP beneficiaries LMAs, activities including but not limited to, depositing (Crediting), withdrawals (Debiting), de-crediting, accounts blocked, biometric logs, time of withdrawal, BVS touch points location etc.; to BISP MIS in real time and automated manner without any delay or downtime as per BISP's requirements.
- iv. FIs shall ensure an automated system of de-crediting of beneficiary's LMA as per BISP's policy/instructions and provide real time reporting of the same to BISP MIS through direct integration without any down time.
- v. FIs shall provide viewable access to statements of LMAs to BISP.

Task 4

4.1 De-crediting/Re-crediting and Reconciliation of accounts/funds

4.1.1 De-crediting/Re-crediting

- i. FI shall block the accounts and De-Credit the amounts of those beneficiaries who have not made any withdrawal activity for nine months or any other period as subsequently approved by the BISP. In this respect, the de-credited amounts shall be transferred from the De-credited beneficiary's LMA to Main account of BISP and subsequently to Government Treasury.
- ii. In exceptional circumstances such as death of a beneficiary, reporting of a dubious/suspicious CNIC etc. FIs shall block such LMAs as soon as the same are reported by BISP, and immediately De-Credit the amounts available in such beneficiaries' LMA accounts to BISP's Main account, and subsequently to Government Treasury.
- iii. The FIs shall make it a routine to regularly deposit all de-credited funds in the Government Treasury on weekly basis, every Monday (next working day in case of a holiday), without any delays or if SBP allows immediate transfer of funds by the FIs

- into Government Treasury online, the same must be deposited by the FIs within one working day.
- iv. On deposit of funds in the Government Treasury, FIs shall immediately inform BISP and submit any documentary proof to BISP simultaneously.
 - v. The de-credit process shall be automated as per the requirements shared by BISP.

4.1.2 BISP Main Accounts Reconciliation

- i. FIs shall provide statements, transactions details and other full disclosure as per BISP's requirements to ensure the full visibility of its main accounts.
- ii. FIs shall be responsible for real time based reconciliation of each maintained BISP main accounts with BISP as well as shall provide reconciliation reports on regular basis i.e. weekly, monthly, quarterly and yearly as per requirement of BISP.
- iii. FIs shall be responsible for timely redressal of any disparities in reconciliation.

4.1.3 Beneficiaries' LMA Reconciliations

- i. FIs shall be responsible to report the disbursal (Crediting activities), withdrawal (debiting) data, de-crediting/re-crediting and reversal transactions along with confirmation of biometric verification, where required, through direct integration(web service/APIs) to BISP on real time basis without any delay or downtime as per BISP's requirements.
- ii. FIs shall be responsible to reconcile LMAs of beneficiaries with BISP on regular basis i.e. weekly, monthly, quarterly, yearly as per BISP's requirements and provide monthly statements to BISP, through an automated system.
- iii. FIs shall, on need basis, also provide a fully reconciled report to BISP of biometric verifications conducted at the time of cash withdrawal to validate and justify each transaction, through an automated system.
- iv. FIs shall be responsible for timely redressal of any disparities in reconciliation.

Task 5

5.1 Requirements for BVS Verification Services at BVS Touch points

-
- i. FIs shall be responsible for processing of only verified, validated and authenticated beneficiaries for opening of LMA and cash withdrawals.
 - ii. FIs shall ensure system-based restrictions on the BVS POS devices, including devices of devices made available through partnerships, to be used at agent network through geo tagging, geo fencing, biometric login of agent etc. to restrict 'auto/fraudulent' withdrawals. This restriction shall be applicable on the BVS enabled Agent Network and not the BVS ATMs or BVS enabled branches of the FIs, or as per BISP's instructions/ guidelines from time to time.
 - iii. A tripartite agreement shall be signed among the selected FIs, NADRA and BISP, without any cost or responsibility assigned to BISP. This tripartite agreement is to ensure a BISP specific secure BVS web service to curb any fraud and any misuse of the web service to check suspicious CNICs, duplicate CNICs, deceased beneficiaries, sanity blocked beneficiaries, wrong withdrawals, BVS not captured (faded/flat/rough finger prints) etc. Further, BVS devices used at BVS touch points shall be as per SBP/NADRA's standards or equivalent with heating/thermal sensing ability. FIs shall continuously strive to align with improvements in BVS related specifications specified by SBP/NADRA, in order to keep up with the new innovations and improvements in technology, to avoid any fraud and misuse scenarios.
 - iv. Further, minimum mandatory specifications for BVS security to be ensured by FIs in compliance with the standards of NADRA and must have LFD/MFA capabilities.
 - v. Functionality shall be developed by FIs wherein maximum of eight (8) biometric attempts per beneficiary per BB Agent shall be allowed. After 8 unsuccessful attempts the beneficiary shall not be allowed to transact from that particular BVS Agent and shall be routed to another BVS POS for repeat eight (8) biometric attempts. In case of repeat eight (8) biometric failures, the concerned beneficiary shall be blocked for additional BVS attempts. The beneficiary shall be guided by the agent to approach FI's helpline and/or BISP's tehsil office or as per BISP's advice from time to time. The information of blocked beneficiaries shall be reported to BISP MIS on real-time basis.

-
- vi. In case of exceptions where biometrics are not possible due to differently abled person or uneven texture/faded/unclear finger prints, alternate mechanism for payment shall be decided by BISP; as per its policy and FIs shall accordingly implement the same.
 - vii. In case of any upgradation of standards for biometrics by NADRA during the duration of the contract, the same have to be complied by the FIs.
 - viii. FIs, if required by BISP, at any point of time shall also develop two-factor authentication mode which might include SMS based Passcode in addition to BVS.
 - ix. FIs shall ensure 3rd party periodical field audit/review of the distribution channel (POS enabled BB Agents) to evaluate their compliance with the minimum standards set by BISP/NADRA. FI shall ensure submission of the said 3rd party periodical report to BISP on agreed timelines.
 - x. Onus of any fraudulent activity either due to low quality BVS hardware, saving of biometric images, or any other fraudulent activity relating to BVS shall squarely rest with the FIs.

Task 6

6.1 Requirements for BISP Related Transactions at BVS Touch Points

- i. BISP requires that an FI shall disburse cash grant through more than one distribution channels. At least two BVS touch points (BVS ATM, BVS enabled bank branch, sub-agent/agent etc.) shall be provided at each Union Council/Town Committee and further BVS touch points shall be provided as and when required by BISP within the agreed TAT. The even spread of BVS touch points shall be ensured keeping in view the accessibility of beneficiaries in a particular locality as well as provision of options through partnerships with other branchless banking networks. However, the above requirement of at least two BVS touch points at each Union Council/Town Committee shall not be applicable in case:
 - a. Where the number of beneficiaries assigned by BISP is less than 50 in a Union Council/Town Committee. In such cases, FI shall provide at least one BVS touch point in that particular Union Council/Town Committee.

-
- ii. Beneficiary shall be allowed to withdraw funds at his/her choice, from their LMA using different options including BVS ATM machines of FIs, BVS enabled Branches, authorized BVS agent locations (POS), special campsites, Cash on Wheels etc.
 - iii. FI shall also install (on BISP's demand) BVS ATMs in mutually selected BISP's One Window Centres, Zonal/District/Tehsil offices or any other location, as per BISP's instructions in order to facilitate BISP beneficiaries.
 - iv. FIs shall ensure voice message (Urdu Language) at the BVS ATM at the time of withdrawal from LMA. At the BVS POS location, FIs shall ensure SOPs for the BVS agent, to clearly communicate the cash withdrawal procedure to the beneficiary. A receipt (on demand), clearly showing the name of the beneficiary, her CNIC number and withdrawal amount date/time, POS/Franchise ID shall be shared with the beneficiary in printed or digital form.
 - v. FIs shall be required to develop functionality wherein they shall ensure that no BISP related transaction is executed as per time instructed by BISP at any of their BVS enabled BB Agent. In case of any refusal to entertain, locking the premises (except administrative orders by Government, law & order situation or other unforeseen justifiable reason) will be subject to disciplinary actions leading to blacklisting of the BB Agent.
 - vi. FIs shall ensure that BB agents MUST have sufficient liquidity to serve the beneficiaries without any difficulty and waiting. FIs shall be liable for any delays in service because of liquidity issues.
 - vii. FIs shall ensure that their BVS enabled ATMs remain functional and live on 24/7 basis dispensing CASH especially during BISP disbursement cycle or weekends and enable beneficiaries to withdraw without any hurdle or difficulty.
 - viii. BB Agent shall not be allowed to digitally store any finger print(s) of the beneficiary.

-
- ix. As and when 'Interoperability' becomes available and fully functional in the BB ecosystem through any of the initiatives of SBP and/or PTA during the currency of the Agreement, FIs shall provide inter-operability solution at BVS POS/ATMs and BVS Agents to BISP within three months without any financial implication for BISP. Till that time, FIs shall be encouraged to build partnerships with other BB networks in order to provide multiple options to the beneficiaries.
 - x. FIs shall make necessary arrangements including but not limited to shade, seating arrangements, drinking water, proper signage, bannering, power etc. for beneficiaries on campsites/ registered outlets including agent locations.
 - xi. FIs shall be fully and solely responsible for any wrong doings of the Super Agents/Agents/Sub Agents/Partner Agents/partner FI including denial of service. The wrong-doers shall be subject to strict penalties, damage compensations, recoveries, agent permanent blockage, disciplinary actions or others as per BISP instructions.

Task 7

7.1 BB Agent Acquisition and Management

- i. FI must have a Central Agent Management Policy and Agent Expansion Plan in compliance with SBP guidelines (Framework for BB Agent Acquisition and Management). Central Agent Management Policy shall contain 1) Agent due diligence policy 2) New agent take-on procedure 3) Risk Management for agent related risks 4) Agent training and development policy 5) Service Level Agreement /Agency Agreement 6) Complaint handling and consumer awareness policy 7) Delivery of Services 8) Code of Conduct for BB agents 9) Management of agent Banking 10) Agent Network Monitoring & Supervision by FIs 11) Fraud Prevention and Agent Blacklisting Policy. FIs in their technical proposal will explain in detail as to how they plan to apply these policies in case of BISP cash payments because of special features of BISP beneficiaries. This shall include management of agents acquired through partnerships.
- ii. Delivery of services via BB channels, if not appropriately managed, can increase the risks for FIs, BISP and beneficiaries as a result of dependence on agents. FIs therefore,

need to effectively manage these risks through the adoption of sound risk management practices. FIs shall have the ultimate responsibility and accountability of all agent-based BB activities and protection of BISP beneficiaries.

- iii. All financial liabilities arising out of fraudulent activities related to BISP beneficiaries LMAs solely lies with the FI. It is encouraged that FI must take out relevant insurance in this regard.
- iv. In the event of fraudulent activity, the FI must promptly initiate an inquiry and reach a resolution within seven working days of the fraud report. If the fraud is established, account of complainant shall be reimbursed for the affected amount. If a beneficiary is not satisfied and approaches BISP for an appeal, the verdict of BISP shall prevail over the Bank's findings and appropriate remedial action shall be taken accordingly.
- v. FIs shall provide an alternate BVS in the same locality, for every blacklisted/blocked Agent within the agreed TAT.
- vi. FIs shall replace the compromised/blocked or suspicious devices within the agreed TAT.

Task 8

8.1 Partnerships with other FIs/Digital Banks

- i. FIs are encouraged to build partnerships with other FIs/Digital Banks to increase the geographical presence, number of touch points and convenience of BISP beneficiaries.
- ii. The partnership agreement should stipulate the role and responsibilities of all the parties involved including their network agents and their respective operational and financial obligations.
- iii. The FI shall be responsible for the performance of the partnering institutions (acting as FI's agents) and assume all the associated legal/operational/financial obligations.
- iv. Rules and guidelines for FI Agent shall also be applicable on the partnering institutions, including but not limited to reporting of the BISP enabled devices to the MIS as per guidelines given in this document.

Task 9

9.1 Coordination between FIs and BISP Offices

- i. FIs shall share its staffing plan for proper coordination with BISP officials at the Headquarters and field levels. FIs shall nominate dedicated G2P/P2G business head, MIS and technology expert, fraud unit expert, reconciliation and reporting expert and information security expert for coordination with BISP headquarters. CVs of the dedicated resources shall be provided to BISP.
- ii. FIs shall appoint focal persons at each level i.e. tehsil, district, zone, province and headquarters for regular coordination with BISP offices at the corresponding level. CVs of the focal persons at each tier along with the FIs staffing plan shall be provided to BISP.
- iii. The FIs shall be responsible to establish and provide required disbursements points within timelines as agreed in the contract. The BISP's field offices shall review the POS list and identify any shortcomings through the Provincial Directors General/Regional Directors of BISP through its Headquarter Secretariat, to facilitate the beneficiaries. This POS list (authorized for payment to BISP beneficiaries) shall be maintained on permanent basis and any changes in the POS list shall be provided by FIs on a regular basis to BISP and also to display the lists for public information on FIs websites or as per BISP requirements.
- iv. FIs shall ensure close coordination with the focal persons at BISP HQs/ Regional offices and FIs' focal persons for smooth disbursements and provision of efficient service delivery to BISP Beneficiaries, at BVS POS/agent, BVS ATMs, BVS enabled branches and other special arrangements.
- v. BISP shall have full right to monitor, observe BVS ATMs/BB agent locations any time for compliance of agreed service delivery during the course of business.
- vi. FIs shall separately structure a team for Fraud Management to coordinate and report any fraud. Further, the Fraud Management team shall conduct inquiries against any

-
- misappropriation or embezzlement. Full staffing plan along with CVs shall be shared by the FIs with BISP.
- vii. FIs shall devise its own monitoring, control mechanisms (mystery shopping) on BB BVS agents' and BVS ATMs' locations, Camp sites etc. to prevent any wrong doings and shall share reports including course correction with BISP headquarters, within five (05) working days after information is received from BISP regarding tranche release.
 - viii. BISP & FI shall also mutually devise monitoring and control mechanisms for BVS agent locations/BVS touch points. Joint monitoring visits/ plans at each tier i.e. tehsil, district, zone, province and headquarters level have to be agreed and conducted for ensuring better service delivery for BISP beneficiaries.
 - ix. FIs shall be responsible to share complete and updated lists of provided cash points (BVS ATMs/BB agents etc.) with each BISP tehsil office and also to display the lists for public information on FIs websites or as per BISP requirements. Any subsequent changes in the lists, i.e. through blacklisting of existing agent or inclusion of a new agent, shall be communicated to BISP, through an automated system, in real-time.
 - x. FI's once shared BVS BB Agent locations with BISP shall not be allowed to shift or relocate any of BB agent's locations without prior consent of BISP HQs.
 - xi. The FIs shall ensure that their focal persons hold regular pre and post disbursement meetings with different levels of BISP including headquarters, Provincial Director Generals/Zonal Directors or their representatives at appropriate level to discuss tranche related preparedness and subsequent issues.
 - xii. FIs shall have M&E mechanisms to find out the shortcomings of the systems and/or violations of SOPs. FIs shall share these information, mechanisms and controls with BISP, as well as share M&E reports periodically with BISP.
 - xiii. FIs shall be responsible for providing/sharing the deadlines/ (timelines) to BISP for implementation of biometric capabilities at its additional owned ATM locations, bank branches and through partnerships as per plan. FIs shall share and coordinate such improvements with BISP as and when they occur.

Task 10

10.1 Education, Information and Awareness for Beneficiaries by FIs

- i. Customer awareness is a key defense against fraud, theft and security breach. Customer awareness program, at a minimum, should cover use of LMA, information regarding credit/debit/balance, protection against frauds etc.
- ii. FIs shall ensure that BB Agents shall provide necessary guidance and support to the beneficiaries to enable them to transact easily without any hurdles, hardships or multiple visits or as per BISP requirements/instructions from time to time.
- iii. FI shall devise, implement and continuously evaluate its awareness program in light of instructions/ requirements given by BISP and/or SBP regulations/ circulars/ notifications issued from time to time.
- iv. FIs shall provide guidance to beneficiaries via appropriate means and clear instructions in Urdu and Regional languages as per instructions/requirements given by BISP and/or SBP regulations/circulars/notifications issued from time to time, such as:
 - o Information on requirements and use of BVS devices at touch points, software or other necessary tools for the use of their services.
 - o Guidelines for proper and secure use of personalized security credentials.
 - o Description of the procedure for the customer to submit and authorize transaction (if required) and/or obtain information and consequences of each action.
 - o Customer assistance through written, voice, tutorials or in-person communication should be made available by FIs for all questions, complaints, requests etc.
 - o Initiating customer education and awareness programs about security issues, rights and obligations enabling customers to use their services safely and efficiently.
 - o Educating customers as well as employees about security measures for fraud prevention and use of unsecure wireless networks.

-
- v. More specifically, the FIs shall take following actions in this regard:
 - o Printing and logistics of Information materials for distribution to beneficiary at the time of BVS cash withdrawal. The placement of these print materials including standees shall be prominently displayed at BB Agent touch points as well as FIs branches and BVS ATM locations.
 - o FI shall ensure display of pictorial and written guide on ‘step by step process of BVS ATM usage’ for the beneficiaries in local languages at each location of BVS ATM.
 - o BISP shall provide the design and information to be printed on brochures/other print materials as per the requirements and the Financial Institutions shall obtain prior approval of the final design (prototype) from BISP before printing and end-use.
 - vi. FIs shall comply with the branding requirements of BISP for every campaign. This branding shall be carried on withdrawal receipts as well as on the display material at the BVS touch points.
 - vii. FIs shall share the plan for awareness campaigns which shall be carried out before any tranche or special disbursements including emergency cash payments. In the awareness campaigns, FIs are expected to use multiple channels of communication in the awareness campaigns.

Task 11

11.1 Complaint Redressal Mechanism by FIs

- i. “Complaint” means any written or verbal expression of dissatisfaction from BISP beneficiary alleging financial loss arising due to any fraud/embezzlement by the bank’s own staff or partner BB Agents/touch points.
- ii. FIs must put in place a proper dedicated complaint redressal mechanism for efficiently and quickly disposing of complaints received from BISP beneficiaries. The mechanism, at a minimum, shall include;
 - o Receiving and processing customers’ complaints 24/7.

-
- Generating acknowledgement of a complaint giving it a unique complaint number and communicating the same to complainant with estimated disposal time.
 - Keeping track/logs of all complaints and giving status of every complaint. The status shall clearly mention what remedial action has been taken to resolve the complaint or the reasons owing to which a complaint could not be resolved.
 - Complaints shall be resolved within the given TATs as agreed in the contract.
 - iii. FIs shall integrate its CRMs systems with BISP-Payments Complaint Management System (PCMS) in automated and real time manner or as per BISP requirements. Such development shall be completed during the six months from the date of signing of the contract. During this period, FIs shall ensure giving access to their CRMs limited to the complaints related to BISP. BISP shall also give such access of the PCMS to the FIs. Such alternate mechanisms shall be in place before the first enrolment process initiated between BISP and the respective FI.
 - iv. FIs shall be responsible to keep its CRMs applications/services live with BISP PCMS on 24/7 basis without any downtime to ensure the continuous complaints redressal in automated manner with BISP without any interruptions or downtimes.
 - v. The CRM and the relevant phone numbers etc. of the FIs should be widely publicized using appropriate channels and should also be placed at FI's website and at agents' locations in the form of banners or brochures.
 - vi. Appropriate protection against risks of fraud, loss of privacy and even loss of service is needed for establishing trust among BISP beneficiaries and gaining their confidence. As FIs shall be dealing with a large number of first-time customers with low financial literacy level, FIs need to ensure that adequate measures for customer protection, awareness and dispute resolution are in place.
 - vii. FIs shall devise and enforce effective complaint handling and consumer awareness policy keeping in compliance with SBP relevant regulations/ circular/ notification issued from time to time.

-
- viii. The FIs shall ensure close coordination at each tier with Provincial DGs/ Regional Directors/Zonal Directors, District Deputy Director and Tehsil In-charge/Assistant Director, etc. FIs shall devise and submit their fully structured M&E plans and share reports on periodical basis with BISP.
 - ix. For the purpose of complaint management, FIs shall ensure registration of complaints online, through dedicated call centers as well as through different tiers of management involved in BISP operations. The complaint management system, along with the complete responsibility matrix, shall be submitted by the FIs in their technical proposals. Such a system shall be robust with clear SOPs for every tier involved in the complaint management.
 - x. FI shall be liable to compensate the beneficiary in case of any fraud or embezzlement due to any reasons. FI is encouraged to obtain Fraud Insurance.
 - xi. FI shall clearly define the complaint escalation matrix highlighting when and under what circumstances to escalate the matter to higher level starting with relevant group head, CEO of the FI, Board of Directors of the FI, and State Bank of Pakistan for resolution of disputes. Different levels in context of customer support shall be clearly defined and the escalation matrix shall be embedded in the CRM with auto escalation if the complainant is unsatisfied or the complaint is unresolved at a certain level within a given TAT. TATs for every escalation level shall be agreed with BISP.
 - xii. FIs shall clearly indicate SOPs for every branch of the operations related to BISP. Such SOPs, particularly related to fraud detection and compensation, shall be robust and follow the principles of creating enough deterrence to prevent such activities.

11.2 Dedicated Call Centre by FIs

- i. FIs shall be facing communication, technological and social barriers while interacting with the beneficiaries of BISP. Therefore, these beneficiaries are required to be treated in different manner compared to normal customers. Hence FIs shall make dedicated arrangements while dealing with them through helplines.
- ii. FIs shall ensure dedicated Call Centre and Agents/Customer relationship officers for dealing with BISP beneficiaries' complaints. The nominated Agents shall have multi

- linguistic skills (regional languages) to effectively manage language/communication barriers.
- iii. BISP beneficiaries shall be serviced according to the defined SOPs of the FIs Call Centers built as per the approved Call Center and Customer Service Policy of the FIs. Such SOPs must ensure the same quality of services to BISP Beneficiaries as any other customer of the FI.
 - iv. FIs shall provide data through direct integration (web service/APIs) between FIs CRM and BISP's PCMS, updating on a real time basis on all BISP beneficiaries received calls, nature of queries &/or complaints received and their statuses.
 - v. FIs shall collect and analyze the complaints data, conduct research on the insights and vulnerabilities of customers and upgrade systems and controls where needed.

Task 12

12.1 Risk Management and IT Security Measures

- i. FIs shall develop, document, implement and regularly review a formal comprehensive IT security Framework and Policy for their Systems. The security policy and related control document(s) shall define Security Objectives, Risk Appetite, Risk Assessment both prior and post establishment of services on regular basis, Risk Identification at every stage of the processes, Risk Control, Risk Monitoring and Mitigation at every layer and component of the system.
- ii. Further to monitor and assess the risks involved in their operations, FIs shall implement security policies and adequate security measures, contingency, incident management and business continuity measures commensurate with the risks inherent in the operations and services being provided.
- iii. FIs shall implement security measures in line with SBP's circulars/ notifications and regulations issued from time to time.
- iv. FIs shall employ multiple and layered security tools e.g. Firewall and Intrusion Detection and Prevention Systems, Up-to-date Antivirus Software, Anti-spam and

Anti-spyware programs to protect each area against abuse and/or cyber-attacks/cybercrime.

- v. In designing, developing and maintaining products and services, FIs shall pay special attention to the adequate segregation of duties and access rights of resources in information technology (IT) environments to avoid explicit control on their IT systems.
- vi. FIs shall keep the systems up to date on all recommended patch serving and security updates after thoroughly testing its effectiveness and impact, wherever required, to protect their end.
- vii. In order to ensure non-repudiation, accountability, transactional web offering services, FI shall employ authentic and valid third-party certificates.
- viii. All BVS devices shall be checked and patch for security reasons as per satisfaction of BISP Cyber Security Standards.

Task 13

13.1 Service Charges

Invoicing and Payment of Services Charges shall be made as per below given details:

- FIs shall raise the invoice during first week of every quarter, against the cash withdrawal from LMAs during previous quarter while ensuring that all the invoiced amounts are reconciled and reported to BISP MIS.
- BISP shall make the payment within 60 days of receipt of invoice against fully reconciled withdrawals.
- As per the relevant provisions agreed in the contract, penalties shall be imposed on the FIs in case of non-compliance to agreed requirements, protocols and timelines.

Further details are provided in the contract.

Task 14

14.1 New Technologies

FIs shall have the ability to integrate to any future innovative technology as per BISP's directions and in the light of SBP's relevant regulations, especially any upcoming scheme by the regulators, creating the functionality of interoperability among the Branchless Banking Platforms.

Task 15

15.1 Standard Operating Procedures

Standard Operating Procedures shall be developed by the FIs separately for all aspects of operations, keeping in mind the following principles:

- i. SOPs shall be clear and concise, leaving no room for interpretation and ambiguity, and in simple language.
- ii. SOPs shall clearly state the purpose and scope of its applicability.
- iii. SOPs shall break-down the procedure in sequential steps and provide step-by-step guideline to the users.
- iv. SOPs shall clearly define the roles and responsibilities of individuals/tiers involved in the procedures. This shall ensure accountability.
- v. SOPs shall be in compliance with the standards of the industry. For instance, the SOPs for BVS shall be complying with NADRA standards, while the SOPs for complaint management shall be compliant to SBP regulations etc.
- vi. SOPs shall include emergency procedures and contingencies so that the users should have a better understanding of dealing with an unexpected situation.
- vii. SOPs shall be in multiple languages for better comprehension and subsequent compliance of people with different linguistic background.
- viii. SOPs shall be clear to allow audit and quality control checks.

15.2 General Guidelines Related to Development and Use of SOPs by FIs

- i. SOPs shall be shared for various aspects/branches of BISP operations with the Technical Proposal of the FI. However, the SOPs shall be finalized after the award of contracts in consultation with BISP and other stakeholders, if required.

- ii. Based on audit, quality checks, monitoring & evaluation activities or changes in the standards of the industry, the SOPs shall be revised from time to time, in consultation with BISP. FIs shall ensure that any changes are communicated to BISP for consideration or approval, whichever is required.
- iii. FIs shall conduct trainings and/or awareness sessions with their teams involved in the implementation of operations, including monitoring and evaluation teams. Any subsequent changes in the SOPs shall automatically make the FIs responsible to communicate the same precisely to the teams.
- iv. Any deviation from SOPs shall be treated as an irregularity and will invoke penalties on the violators.
- v. SOPs shall be prepared for the field teams, BVS agents, monitoring and evaluation activities, communication and mass awareness, fraud detection, inquiries, complaint management (CRMs, Call Centers, and Field Offices etc.), reporting mechanisms and other activities/tasks as defined in the TORs.

a. Definition

21.1 For the purposes of this Contract, “Force Majeure” means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and makes a Party’s performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible under the circumstances, and subject to those requirements, includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action, confiscation or any other action by Government agencies.

21.2 Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party’s experts or agents or employees including Super Agent, nor (ii) any event which a diligent Party could reasonably have been expected to both take into account at the time of the conclusion of this Contract or later on, and avoid or overcome in the carrying out of its obligations hereunder.

21.3 Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

b. No Breach of Contract

21.4 The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract

c. Measures to be Taken

21.5 A Party affected by an event of Force Majeure shall continue to perform its obligations under the Contract as far as is reasonably practical; and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

21.6 A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than seven (07) working days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.

21.7 Any period within which a Party should have, pursuant to this Contract, completed any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

21.8 In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled according to Clauses GCC 32 & 33.

22. Conflict of Interests

22.1. The Financial Institution shall hold the Client's interest paramount, without any consideration for future work, and strictly avoid conflict with other assignments or their own corporate interests.

a) Prohibition of Conflicting Activities

22.1.1 The Financial Institution shall not engage, and shall cause its experts not to engage, either directly or indirectly; in any business or professional activities that would conflict with the activities assigned to them under this Contract.

b) Strict Duty to Disclose Conflicting Activities

22.1.2 The Financial Institution has an obligation and shall ensure that its experts shall have an obligation to disclose any situation of actual or potential conflict of interest that impacts their capacity to serve the best interest of the Client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Financial Institution or the termination of the Contract.

23. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of Islamic Republic of Pakistan and the competent Courts of Islamic Republic of Pakistan shall have exclusive jurisdiction in relation to any dispute arising under or in any way connected with this Agreement.

24. Entire Agreement

This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.

25. Removal of Experts or Super-Agent

25.1 If the Client finds that the Super-Agent(s), agent(s), franchisee(s) or any of Financial Institution's experts has committed serious misconduct or has been charged with having committed a criminal action, or shall the Client determine that any one of them have engaged in corrupt, fraudulent, collusive (including Cartel), coercive or obstructive practice while performing the Services, the Financial Institution shall, at the Client's written request, blacklist him and initiate a case for registration of criminal proceeding, when so required and also provide a reasonable replacement.

25.2 In the event that any of Super-agent(s), agent(s), franchisee(s), key expert(s), non-key expert(s) is found by the Client to be incompetent or incapable of discharging assigned duties, the Client, specifying the grounds, therefore, may request the Financial Institution to provide a reasonable replacement.

25.3 Any replacement of the removed Super-Agent(s), expert(s), agent(s), franchisee(s) etc. shall possess better standards and experience and shall be acceptable to the Client.

25.4 The Financial Institution shall bear all costs arising out of or incidental to any removal and/or replacement of such Super-Agent(s), Expert(s) etc.

25.5 The client reserves the right to refer any case of embezzlement and/or corrupt practices to the relevant investigative agency(ies).

26. Cooperation and other Obligations of Financial Institutions

During the term of this Agreement, the Financial Institution agree to cooperate with and assist Client, as reasonability requested in carrying out the covenant, duties and responsibilities under this agreement, and shall from time to time, execute , acknowledge and deliver such additional assignments, endorsement, and documents as may reasonably be required or appropriate to facilitate the performance of this Agreement. Furthermore, Financial Institution is also required to perform the other important activities/obligations mentioned in **Clause-6, 7 &Appendix-A**.

27. Proprietary Rights of the Client in Reports and Record

Unless otherwise indicated in the SCC, all reports and relevant data and information such as plans, databases, other documents and supporting records or material compiled or prepared by the Financial Institution for the Client in the course of the Services shall be confidential and become and remain the absolute property of the Client.

28. Entire Agreement

This Agreement, and the Annexures, together with any amendments thereto, represents the entire understanding and agreement between the Parties.

29. Expiration of Contract

Unless terminated earlier pursuant to Clause GCC 16 hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the Clause- 29 of SCC.

30. Suspension.

The Client may, by written notice of suspension to the Financial Institution, suspend all payments to the Financial Institution hereunder if the Financial Institution fails to perform any of its obligations under this Contract, including the carrying out of the Services, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the Financial Institution to remedy such failure within a period not exceeding twenty (20) working days after receipt by the Financial Institution of such notice of suspension.

31. Termination

31.1 This Contract may be terminated by either Party as per provisions set up below:

a) By the Client

31.1.1. The Client may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (f) of this Clause. In such an occurrence the Client shall give at least Sixty (60) working days written notice of termination to the Financial Institution:

- (a) If the Financial Institution fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension pursuant to Clause GCC 30;
- (b) If the Financial Institution becomes (or, if the Financial Institution consists of more than one entity, if any of its members becomes) insolvent, bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- (c) If the Financial Institution fails to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GCC 33;
- (d) If, as the result of Force Majeure, the Financial Institution is unable to perform a material portion of the Services for a period of not less than twenty (20) working days;
- (e) If the FI is in material breach of its obligations pursuant to this Contract and has not remedied the same within twenty (20) working days' notice following the receipt by the Financial Institution of the Client's notice specifying such breach. In such situation, the Client shall reserve the right to take punitive action which

may include blacklisting of the Financial Institution for a period to be determined by the Client in addition to any other compensation on account of loss sustained by the Client due to non-fulfillment of contractual obligations by the Financial Institution.

- (f) The Client, at any time, may on its own prudence and discretion terminate the Agreement during its occurrence, without any reason/cause.
- (g) In case of termination or reduction in the scope of services/operations of the FI as per the discretion of the Client, an Exit Plan/Transition Strategy shall be mutually agreed between the parties. Further, the FI shall ensure a smooth transition upto the satisfaction of the Client, in case new arrangements are put in place by the Client during the currency of the Agreement.

31.1.2. The contractual obligations are subject to post qualification. If an FI fails to arrange required number of BVS touch points, complete the API development and integration, curtail the incidents of fraud/ embezzlement/ deduction, redress majority of beneficiaries grievances within TATs, besides BISP notices its material breach of its obligation pursuant to this contract, its Contract may be terminated after giving fifteen (15) working days written notice to the Financial Institution. Upon termination of the Contract, an Exit Plan/Transition Strategy shall be mutually agreed between the parties. Further, the FI shall ensure a smooth transition up to the satisfaction of the Client, in case new arrangements are put in place by the Client during the currency of the Agreement.

31.1.3. Furthermore, if the Client determines that the Financial Institution has engaged in corrupt, fraudulent, collusive (including Cartel), coercive or obstructive practices, in competing for or in executing the Contract, then the Client may, after giving seven (07) working days written notice to the Financial Institution, terminate the Financial Institution's employment under the Contract.

b) By the Financial Institution

30.1.3. The Financial Institution may terminate this Contract, by not less than Sixty (60) working days written notice to the Client, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause subject to complete withdrawal by the beneficiaries for the quarter in which the notice has been served:

- (a) If the Client fails to pay any money due to the Financial Institution pursuant to this Contract and not subject to dispute pursuant to Clause GCC 33 within Sixty (60) working days after receiving written notice from the Financial Institution that such payment is overdue.
- (b) If, as the result of Force Majeure, the Financial Institution is unable to perform a material portion of the Services for a period of not less than twenty (20) working days.

-
- (c) If the Client fails to comply with any final decision reached as a result of arbitration pursuant to Clause GCC 33.
 - (d) If the Client is in material breach of its obligations pursuant to this Contract and has not remedied the same within sixty (60) working days' notice following the receipt by the Client of the Financial Institution's notice specifying such breach.

32. Amicable Settlement

32.1 The Parties shall seek to resolve any dispute amicably by mutual consultation.

32.2 If either Party objects to any action or inaction of the other Party, the objecting Party may file a written Notice of Dispute to the other Party providing in detail the basis of the dispute. The Party receiving the Notice of Dispute will consider it and respond in writing within fourteen (14) working days after receipt. If that Party fails to respond within fourteen (14) working days, or the dispute cannot be amicably settled within fourteen (14) working days following the response of that Party, Clause GCC 33 shall apply.

33. Dispute Resolution

Any dispute between the Parties arising under or related to this Contract that cannot be settled amicably may be referred to by either Party to the adjudication/arbitration in accordance with the provisions specified in the SCC.

34. Performance Guarantee

FI shall be required to submit the Performance Bank Guarantee issued by a Scheduled Bank which shall be further specified in SCC.

35. Integrity Pact

If the Financial Institution and/or any of its agents or personnel, are found to have violated or involved in violation of the Integrity Pact signed by the Organization as per **Appendix-J** to this Form of Contract, then the Client shall proceed as per provisions at GCC Clause: 31.1.1 & 31.1.2

36. Good Faith

The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

37. Notices

37.1 Any communication required or permitted to be given or made pursuant to this Contract shall be in writing in English language. Any such notice, request or consent shall be deemed to have been given or made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent to such Party at the address specified in the SCC.

37.2 All notices required by this Contract shall be furnished by hand delivery, certified post, courier or fax to the addresses given in SCC.

37.3 A Party may change its address for notice hereunder by giving the other Party any communication of such change to the address specified in the SCC

Appendix C – Payment Solution

1. Background

Benazir Income Support Programme (BISP) was established under BISP Act 2010 (No. XVIII of 2010) to provide financial assistance and other social protection and safety net measures to economically underprivileged segment of the society.

BISP's beneficiaries are mostly residing in rural areas. Historically, payments to the beneficiaries were made through Pakistan post in the form of money orders delivered to the beneficiaries at their door steps. Due to issues with Money Order modality i.e. lack of timely reporting and reconciliation & lack of transparency etc., BISP ventured for e-payments solutions as payment mode. In order to modernize the payment mechanism and to bring more transparent technology based solutions, BISP has piloted and tested different new mechanisms such as Benazir Smart Card (BSC), Mobile Phone Banking, Benazir Debit Card (BDC), and Biometric Verification Systems (BVS) which has enabled BISP's scalability to execute the payments to more than 9 million active beneficiaries with diverse geographic spread, in a shorter span of time and in a transparent manner. This switch to technology-based solutions has made real time reporting, reconciliation and complaints management of payments possible.

Based on the experiences and lesson learnt in testing various payment mechanisms, BISP is continuing with the BVS based payments to the beneficiaries. BVS model has primarily been successful except a few challenges. Therefore, in the wake of operational issues and technological advancement in the banking sector, the existing payment modes have been revisited to further the cause of transparency and efficiency by building in safeguards in the existing payment solution and engaging new payment agencies on competitive basis.

2. Overall Requirements

BISP is moving forward with a Limited Mandate Account (LMA) along with BVS based payment solution; and hire the banking services on competitive basis. It is to be noted here that BVS based payment mechanism is already in place and has contributed to enhanced

transparency and efficiency of the disbursement process. Operational issues have been faced as well which have necessitated making changes in the TORs. For instance, in the previous payment system, the LMA was also linked with a Branchless Banking Saving Account, which has now been removed because of multiple complaints of embezzlements and malpractices linked with this option. The improved design will address the following objectives:

- Speedy, convenient, efficient and transparent delivery of cash grants to beneficiaries through BVS enabled cash outpoints;
- To increase payment system's outreach;
- To ensure certain level of interoperable, transparent and cost-effective disbursement mechanism;
- To ensure robust & proficient MIS systems' integration between BISP and Payment Agencies;
- To provide a platform for effective & consistent communication with the beneficiaries;
- To build a live dashboard of BISP based on the reporting integrations with FIs;
- To ensure real time reconciliation of funds and transactions;
- To ensure audit and accounting trails till cash withdrawal from LMA account
- To provide solutions in case of exceptions i.e. in remote areas without telco infrastructure and for differently abled beneficiaries;
- To ensure effective monitoring and grievance redressal mechanisms;
- To address the elements of middlemen culture, fraud, corruption, embezzlements and pilferages.

3. Gap Analysis

In light of the above objectives and overall requirements, following gaps have been noted in the existing system.

Management of Funds in Limited Mandate Accounts

As per the existing contractual arrangements, the banks have to transfer funds from BISP's Main Account to LMAs (Limited Mandate Accounts of BISP's Beneficiaries) within 24 hours of clearance of the cheque, without any disbursement plan.

Once the funds have been released from BISP's assignment account to main accounts maintained with each partnering bank for payment and subsequently to LMAs, issues have been observed in de-crediting the unpaid funds residing in LMAs of beneficiaries as per BISP's policy.

Lack of Necessary Agent Availability:

BISP wants to ensure that payments are available to beneficiaries at the closest accessible payment touch point by increasing the number of available touch points. It has been observed that the existing arrangements are inadequate as the majority of the beneficiaries come to collect payments mostly from the first day of each quarterly/periodic disbursement. This results into rush of the beneficiaries at the agent locations and consequently the beneficiaries' face the following issues:

- a. Middleman Culture.
- b. Rush and crowd at the touch points
- c. Inadequate Customer service
- d. Monopolistic behavior of agents
- e. Deductions by the agent.

Inadequate Liquidity at Agent Locations:

A monopoly has been created under the existing arrangement for one agent for a particular geographic area. It was intended to provide each agent enough business volume to have a viable business case to make necessary arrangements to pay the beneficiaries. As an unintended consequence, the agents feel that they are the only option available to the community. They become oblivious to provide prompt service to the beneficiaries. For example, agent does not keep adequate cash to serve the beneficiaries at a given point of time. The agents like to spread out the payments as per their own available means of liquidity. In certain cases, the agents complete the transaction on BVS but ask the beneficiary to come at a

later date to collect the cash. Such instances create room for opportunity for exploitation of the beneficiary at the hands of agents.

Issues in the Existing MIS Model

Despite being envisaged in the previous contracts, the integrations have not been up to the mark and unable to fulfil the requirements of BISP. The MIS related integrations must be implemented as per the contractual obligations. This includes, but not limited to, the integration of CRMs and Payment Complaint Management System of BISP.

4. BVS Payment Solution

The BVS Payment Solution has the following features:

- 1) BISP transfers the beneficiary data to the FI through using the direct integration between the systems of BISP and the FI.
- 2) By using the bulk account opening functionality, the FI opens LMA accounts, while ensuring all regulatory requirements are fulfilled. Biometric Verification of the account is to be ensured at the time of first withdrawal.
- 3) On receipt of reporting of Account Opening from the FI, BISP will provide instructions to FI to Disburse the Funds from Main Account of BISP to LMA accounts of beneficiaries.
- 4) FI will fulfill the Bulk Disbursement to LMA within 24 hours of the clearance of cheque, along with the real time reporting to BISP.
- 5) The beneficiary will visit the provided BVS Agent/BVS ATM/BVS Branch of the FI, for cash withdrawal.
- 6) At the BVS Agent, partial withdrawal option will not be available. However, partial withdrawal option will be available at BVS ATMs.
- 7) FI shall ensure system based (geo fencing/IMEI tagging of agent BVS device) restriction for all beneficiaries, to restrict 'out of district' cash withdrawal.
- 8) In case a beneficiary, who is not within her registered district, visits any BVS Agent to withdraw cash, the system shall identify the out of district beneficiary at the time of biometric and display error message 'to visit the BVS enabled branch or BVS ATM of the FI' or as per BISP's guidelines.

The above guidelines are subject to change as per BISP instructions and also in the light of future inter-operability.

Key Features of New Model

Key features of the new model are elaborated below:

1. The BVS based payment mechanism shall be used throughout the operations. However, in case of biometric verification issues, payments shall be made through branches as per the policy guidelines agreed with BISP.
2. Following payment modes are being proposed for payment withdrawals through channels:
 - i) BVS through POS/Retail outlets with system generated receipts.ii)BVS ATMs with generated receipts. The receipts (on demand), either digital or printed, are to be shared with the beneficiary.
 - iii) Special arrangements such as campsites, cash on wheels
 - iv) In case of exceptions i.e. lack of telco infrastructure, differently abled beneficiaries i.e. faded finger prints, upper limb amputee, old age, lower limb amputee and biometric system failures etc., Exceptions Policy will be implemented with the approval of the Board and Alternate payment instrument will be provided to the beneficiary.
3. Transparent disbursement mechanism for both PoS and ATM, by ensuring:
 - a) biometric Verification at each cash withdrawal
 - b) system generated receipt at each cash withdrawal.
4. The Partnering FIs will be required to open Limited Mandate Account for the beneficiaries, and credit the funds in LMA within 24 hours of clearance of cheques. This will be locked in the contract, with penalty on breach of committed timeline.
5. Advanced Funds, provided to FIs as per requirements of BISP, and De-credited Funds shall be maintained separately.
6. Payment List will be provided from BISP MIS system to Partnering FIs in automated manner through integrated web services.
7. BISP will issue cheques to each partnering FI for equivalent required funds from appropriate Assignment A/C to BISP main accounts maintained with Partnering FI.
8. All embezzled/ overcharged amount will be fully recovered from the FI and provided to the beneficiary within the agreed TAT mutually decided between BISP and the partner FI.

The embezzled amount will be provided to the beneficiary as per BISP policy shared with the FI.

9. The FI will nominate its focal persons for each function i.e. G2P/ Head branchless banking, IT expert, Reporting and Reconciliation expert, Fraud management unit, M&E expert and focal persons at each tier of Provincial level, District level etc.
10. The focal persons of the FIs shall be bound to have regular pre and post tranche meetings with the BISP's Regional offices at each tier
11. In the event of fraudulent activity, the FI must promptly initiate an inquiry and reach a resolution within seven working days of the fraud report. If the beneficiary is not determined to be at fault, their account should be reimbursed for the affected amount. If a beneficiary is not satisfied and approaches BISP for an appeal, the verdict of BISP shall prevail over the Bank's findings and appropriate remedial action shall be taken accordingly.
12. FI shall prepare SOPs of each branch/part of operations
13. FI shall ensure 3rd party periodical field audit/review of the distribution channel (POS enabled BB Agents) to evaluate their compliance with the minimum standards set by BISP and envisaged in the SOPs. FI shall ensure submission of the said 3rd party periodical report to BISP on agreed timelines.

Inter-operability

BISP's mandate requires use of cost-effective, transparent, secure and efficient payment services with major focus on quality of services to its beneficiaries in order to make timely disbursements to its beneficiaries.

- i. SBP plans to introduce interoperability among the branchless banking platforms in the near future through multiple initiatives for which work is currently in progress. Therefore, to ensure better quality of services by the partnering FIs and their respective BVS enabled touchpoints, all selected FIs would be required to integrate with any such new initiative of the Regulators within 3 months of the initiatives' commercial launch and its full functionality in the BB ecosystem to provide interoperability at BVS

Touchpoints, without any cost to BISP. In the meantime, FIs are encouraged to build partnerships with other FIs/Digital Banks to increase the geographical presence, higher number of touch points and convenience of BISP beneficiaries.

- ii. The partnership agreement should stipulate the role and responsibilities of all the parties involved including their network agents and their respective operational and financial obligations. The FI shall be responsible for the performance of the partnering institutions (acting as FI's agents) and assume all the associated legal/operational/financial obligations. Rules and guidelines for FI Agent will also be applicable on the partnering institutions, including but not limited to reporting of the BISP enabled devices to the MIS as per guidelines given in this document.

BVS Security

- i. FIs will be responsible for processing of only verified, validated and authenticated beneficiaries for opening of LMAs; and subsequently for cash withdrawals.
- ii. FI shall ensure system-based restrictions on the BVS POS devices to be used at agent network through geo tagging, to restrict 'out of district' withdrawal. This restriction will be applicable on the BVS enabled Agent Network and not the BVS ATMs or BVS enabled branches of the FI. This shall be applicable to the touchpoints of partners as well.
- iii. A tripartite agreement will be signed between the selected FI, NADRA and BISP, without any cost or responsibility assigned to BISP. This tripartite agreement is to ensure a BISP specific secure BVS web service to curb any fraud and any misuse of the web service i.e. Suspicious CNICs, duplicate CNICs, deceased beneficiaries, sanity blocked beneficiaries, wrong withdrawals, BVS not captured (faded/flat/rough finger prints) etc. Further, BVS devices, used at BVS touch points, shall be as per NADRA's standards or equivalent with heating/thermal sensing ability. FIs shall continuously strive to further improve BVS related specification, in order to keep up with the new innovations and improvements in technology, to avoid any fraud and misuse scenarios.

Centralized Database and MIS

BISP should use its centralized database for processing of information and preparation of required MIS/dashboard. For this, direct/real time integration will be established with partnering banks in a secured manner (web based/API). All the relevant users be provided with user rights to perform necessary functions and get required information. As it will be linked with partnering banks, their information such as Payment ID, beneficiary CNIC, Amount to be disbursed, Source of Funds, number of transactions, and mode of payments would be directly captured into the centralized database. This would provide MIS as an actionable information to BISP.

Necessary enhancements are proposed in the centralized database to capture such information from the partnering banks that is required on day to day basis. This includes Geo coordinates, date, and time/amount along with beneficiary data of payment transactions at the agent locations, including the agents of partners. Further, the centralized database should develop parameters to manage certain operations such as parameters for interoperability (as proposed), and prepare reconciliation reports.

Live services and integrations of BISP MIS with partnering banks for Comprehensive PCMS services and maintaining centralized complaints management databases, logs and archives for records. Following requirements shall be met by the FIs:

- i. BISP and FI will integrate their Systems/MISs for exchange of data in real time.
- ii. FI's platforms must be capable of receiving/processing payment generations data against millions of beneficiaries' accounts from BISP's MIS, 24/7 without any downtime on real time basis.
- iii. FI's System must be capable of reporting beneficiaries' accounts activities through integration with BISP Systems including deposits (credits), withdrawals (debits), from LMA, de-crediting the LMA account, blocking of LMA account, biometric verification of various blocked beneficiaries, biometric logs, reporting withdrawal points and/or any other activities without any downtime or delays, to the BISP's MIS, 24/7 without any downtime on real time basis.
- iv. FIs shall depute focal persons including Technology, MIS, Operational, Fraud Management and Reconciliation for system-based reporting/reconciliation.

-
- v. FIs shall establish a dedicated call center and allocate dedicated and properly trained call center agents to facilitate BISP beneficiaries in respective regional languages in order to resolve their grievance as per the SOPs formulated by the of FI for the BISP beneficiaries. The IVRs at the call center will also be in regional languages for facilitating the beneficiaries. There shall be a minimum of 15 agents dedicatedly servicing the beneficiaries of BISP for each cluster.
 - vi. FIs shall block & unblock withdrawals from beneficiaries' LMA accounts and system-based reports should be shared with BISP on real time basis as per BISP instructions.
 - vii. FIs, on the award of the contract, shall be required to incorporate technical specifications/parameters/ address library provided by BISP's MIS for required services to directly integrate Complaint Management and Reporting Systems in an automated manner.
 - viii. FIs, on the award of the contract, shall share details of BVS touch points'(designated for BISP) including BVS POS, BVS ATMs, BVS Branches and other BVS cash withdrawal points along-with required information (Master agent/agent name, GPS coordinates of the locations-districts/tehsil wise as per BISP given address library, phone number of agent etc.) to BISP MIS in automated environment. Any change in the initially provided information, including blocking or inclusion of any touch point, shall be shared with BISP MIS in real time, during the course of the contract.
 - ix. FIs shall report the details of BVS attempts (successful and unsuccessful) of the beneficiary at the time of withdrawal, re-verification, new enrollment etc. as per BISP's given specifications. FIs shall ensure system-based Complaint Resolution Mechanisms (CRMs) which must be capable of integrating with BISP PCMS for beneficiaries' complaints handling & resolution/redressal mechanism as per BISPrequirements.
 - x. FIs IT systems must have strong audit trails capability as per SBP's relevant regulations/guidelines, to cater for any type of BISP needs as and when required.
 - xi. FIs Fraud Management system must have the capability to identify fraud and generate report alerts for any abnormal and suspicious activity for fraud management.

-
- xii. FIs shall develop a fully automated system for reconciliation of information, including but not limited to enrolment, deposits, withdrawals, de-credit and re-credit, as per requirements of BISP.
 - xiii. FIs shall create an automated system for de-crediting as per the policy guidelines of BISP.
 - xiv. FIs shall provide a dashboard to BISP showing reports on various operational aspects including enrolments, deposits, withdrawals, de-credit/re-credit, complaints, call-center queries etc.
 - xv. FIs shall complete the API developments and integration of reporting systems with BISP regarding enrolment, deposits, withdrawals, reconciliation, de-credit/re-credit etc. within 60 days of signing of contracts. The integration of the respective CRM with PCMS of BISP shall be completed within 6 months of signing of contract. During this period of development, the FIs and BISP shall grant access to each other in their respective complaint management systems. A plan shall be shared with the technical proposal which shall be evaluated accordingly.
 - xvi. FIs shall provide control or service/API to BISP HQ power/admin users to mark block/blacklist POS/Franchise.
 - xvii. FIs shall ensure Biometric login for POS agents after every 2 hours session
 - xviii. FIs shall ensure System generated SMS on transactions e.g. Deposit, Withdrawal, De-Credit etc.
 - xix. A comprehensive dashboard and reports shall be provided by FIs covering the following.
 - i. Region wise availability of reporting dashboards to get information regarding banks and withdrawal points
 - ii. Executive Dashboards for BISP Management and regional offices. Dashboards to measure performance of banks for the head office staff and upper management
 - iii. Identifying inefficient POS/Franchises/KPIs

-
- iv. Implementation of advanced analytics solutions to help BISP overcome current challenges. These can include the potential use cases highlighted by BIPS in addition to other use cases identified in future
- xx. The FIs shall generate alerts on following type of activities
- i. Off hour withdrawal payments through POS/Franchise
 - ii. Out of district payments through POS/Franchise
 - iii. The beneficiary's biometrics failure on 8 and then 16 attempts. If a beneficiary is blocked due to such activities, it shall be reported to BISP MIS. Additionally, services shall be developed to allow power/admin users from BISP HQ to block/unblock such beneficiaries etc.
 - iv. Invalid GPS, MAC, IMEI, IP etc. against withdrawal point
 - v. Breaking geo-fencing (50 meter) during withdrawal transactions
 - vi. Withdrawal transactions from withdrawal points which are not registered with BISP MIS
 - vii. The POS/Franchisee performing more than 300 transactions in a day
 - viii. Reporting transactions after 24 hours
 - ix. POS/Franchise processing withdrawal transactions in less than a minute interval
 - x. Withdrawal of death cases if linked with NADRA database
- xxi. A reconciliation of recovered /unrecovered complaints shall be developed.
- xxii. The reporting and reconciliation shall be in real-time through integrations and APIs, unless required otherwise by BISP.

5. Monitoring & Evaluation

Monitoring & Evaluation is a key aspect of the entire payment model. Any payment model cannot be successfully implemented until and unless strong processes are defined for Monitoring & evaluation at all steps of the payment process.

a. BISP External Controls

BISP has in place Process Evaluations, Spot Checks, as part of its external quality control mechanisms besides external audits and impact evaluations. All payment mechanisms are subject to these evaluations and audits from time to time. FIs are expected to improve their systems and processes in the light of these evaluations and audits.

b. BISP Internal Controls

BISP has in place its internal payments' monitoring & evaluation and audit mechanisms. All prospective FIs and their agents will be subject to such internal observations and evaluations and; will be expected to improve services on continuous basis. Further, FIs will share their own designs and controls with BISP for more coordinated and efficient control over payment disbursements and related infrastructure.

c. BISP Social Audits & Accountabilities

Social audits and social accountability mechanisms through Federal Ombudsman, Court Orders and Prime Minister's Citizen Portal etc. are part of the BISP's eco system. FIs must also need to be aware of all these systems/mechanisms and respond to the directions received through these mechanisms.

In case of the payment mechanism, Monitoring & Evaluation is an all-encompassing activity which will be embedded in all the processes of payment model.

Appendix D – Focal Persons of BISP and FI

(Will be provided at time of contract signing)

Appendix E –Penalty Matrix

S. No.	Task/KPIs	Penalty
1	End-end Integration between BISP and FI systems within stipulated timeframe as agreed in the contract with the FI	<p>Failing in integration as per the time agreed at the time of contract will result in a penalty of Rs 100,000/- per day for each day delay by the FI till conclusion of successful integration.</p> <p>Any subsequent requirement viz integration shall be made within the agreed timelines. Failing in agreed timeline would result in Penalty @ PKR 25,000/- per day till conclusion of successful integration.</p>
2	Transfer of funds from BISP main account to LMA of beneficiary within 24 hours post realization of funds/credit into BISP main account	<p>Rate of 1 year KIBOR Offer Rate per day to be applicable as penalty on amount still remaining at the end of next working day post credit into BISP main account. This penalty rate to continue till number of days it takes for full realization of the transfer of funds into LMA accounts.</p>
3	Payments related Complaints their resolution (PCMS)	<p>All and any type of Payments related complaints will be logged through PCMS (a directly integrated complaint management system with the FI), with clearly defined TATs and categorized severity levels i.e. High, Medium & Low. This categorization will be documented as annexure to the Contract between BISP and the FI.</p> <p>Penalty per breach of TATs according to the category are:</p> <p>High Severity: PKR. 10,000 per compliant (unsettled post corresponding TAT)</p> <p>Medium Severity: PKR. 5,000 per compliant (unsettled post corresponding TAT)</p> <p>Low Severity: PKR. 3,000 per compliant (unsettled post corresponding TAT)</p>

4	Report back of beneficiary deposit & withdrawals via systems integrations / Dashboard	<p>After successful system integration as per time lines agreed between BISP and FI, if the FI fails to report back, penalty @ 0.05% flat on each transaction shall be applicable on the unreported amount of all transactional details i.e. enrollments, credits (deposits), debits (withdrawals) and de-credits after the lapse of 3 working days. The same shall be deducted from any subsequent Service Charges of the concerned FI.</p> <p>In case of force majeure events the above clause will not be applicable provided the FI gives evidence in writing to the BISP.</p>
5	Deficiency in BVS Touchpoints as per the contract	<p>Penalty of PKR 25,000/- per deficient BVS Touch point as per Task 6.1 (i) of the TORs per tranche to be deducted from Service Charges at any point of time.</p> <p>However, the above condition will not be applicable in case if bank can circumvent this deficiency through any special BVS enabled disbursement arrangement (campsite, cash on wheels, BVS enabled branches, etc) at Tehsil or Union Council level with the prior permission of BISP.</p> <p>In case of inter-operability, the inter-operable touch points will be covered in the above touch points count</p>
6	Deposit of de-credited/forced de-credited funds in Govt. Treasury on daily/ weekly basis.	<p>Rate of One year KIBOR Offer Rate per day on the un-deposited amount beyond 7 days to be applicable as penalty on non-compliance.</p> <p>If SBP allows immediate transfer of funds by the FI into Govt. Treasury online, the above penalty will be applicable if the amount is not deposited within one working day.</p>

Appendix F - Payment Complaints types with TATs

Compliant Type	Compliant Sub-Type	Severity	Turn-around-Time for Resolution	
Technical Complaints	1	Error Codes (Pertaining to FI's own system)	Medium (As per agreed TATs depending upon nature of error)	
	2	System Downtime (Pertaining to FI's own system)		
	3	Operations by un-authorized BB/POS Agents i. agents having BISP rights other than finalized list between BISP and FI or ii. relative of backlisted/ blocked agent using the same POS device)	High	same day (24 hours)
		4		
	5	Transactions beyond BISP specified withdrawal timings at BVS POS Agents	High	same day (24 hours)
	6	Multiple login IDs allowed to the retailer which are used for fraudulent transactions	High	
Payment Related Complaints	7	Out of District Withdrawal (illegal withdrawal by BB Agent without presence of actual beneficiary by using Agent login credentials of other districts)	High	Upto 4 weeks i. Reimbursement of deducted amount (all sub-compliant categories) to the beneficiary(ies) ii. The concerned BB Agent/POS would be blacklisted
	8	Auto Withdrawal (illegal withdrawal by BB Agent without actual presence of beneficiary within same district)		
	9	Embezzlement by BB Agent (no payment to the beneficiary)		
	10	Taking biometric thumb		

		impressions of beneficiaries without making payments to them and asking them to visit POS in next few days to collect money.	High	
	11	Deductions (partial payment) by BB Agent to the BISP beneficiaries		
	12	Taking commission from beneficiaries in advance for making payment by BB agents		
	13	Forced/illegal SIM/bundle sale (even free of cost) to BISP Beneficiaries at time of cash withdrawal. To be resolved within 48 hours.	Medium	
	14	Non payment/less payment to non BVS at bank branch or through alternate mode	High	Upto 4 weeks Reimbursement of deducted amount to the beneficiary(ies)

Quality of Service	15	BVS touch point liquidity issue	Low	One working day (24 hours)
	16	Payment of small denomination notes to beneficiaries	Low	One working day (24 hours)
	17	Non-issuance of withdrawal system generated receipts	Medium	One working day (24 hours)
	18	Non-issuance of withdrawal receipts	Medium	One working day (24 hours)
	19	Sharing of wrong POS lists or POS lists without GPS coordinates and wrong/incomplete addresses	Medium	Three working days
	20	Activation of black listed retailers	High	One working day

Note: The complaints are of evolving nature. As soon as any new category of complaint is reported form field, the same will be incorporated in Annex and PCMS.

1 Audience

This document is for technical team of partner FIs for integration of Services developed by BISP or to be developed by FI BISP payment system.

2 Introduction

Benazir Income support program (BISP) is an effort by the Government of Pakistan to provide a social safety net to the poor segment of the society. Mode of payment to beneficiaries would be BVS/BDC. There are number of web services that will enable partner FIs & BISP to interact with BISP payment system. This document serves as the definition of exposed webinterfaces by BISP and partner FIs. Some of these web services will beexposed by BISP and will be consumed by banks and vice versa.

3 Technology

The technology used for development is Asp .Net Web Restful Api 2.2 with https self signed certificate.

Swagger will be used to describe and test the Api.

4 Authorization

4.1.1 Request Type POST

BISP and Banks will expose a web service that will be utilized by BISP and FI in order to retrieve token. User name and password would be required to get token. Once token is acquired, it will be used to call other web services. If token is not provided in header of the http request of any other web service,the request will be considered, unauthorized. Bank will be identified by username and password. Then it will be added in the header of token. Details of the interface is as follows;

1. INTRODUCTION

Benazir Income support program (BISP) is an effort by the Government of Pakistan to provide a social safety net to the poor segment of the society. BISP extended its services through banks and there is a need of complaint management system. BISP Complaint Interface application facilitates in launching the complaints and then tracking its progress and updating its status accordingly.

Both BISP and partner banks will use the same system on daily basis to resolve beneficiary complaints in an effective and efficient manner.

2. INSTALLATION GUIDE

- 1) Download **PCMS.EXE** from <http://58.65.177.220:5123/>
- 2) The file format is rar file type.
- 3) Extract the file to specific folder.
- 4) The Folder will contain two files one is EXE and other is configuration.
- 5) Double click on EXE file to execute the file.
- 6) **To download the reports create folder in your computer drive C:\BISP MIS
Generated Files**

3. USER LOGIN

The relevant user of BISP or Bank(s) would enter his/her 'User Name' and 'Password' to access the main Complaint application.

After entering the desired 'User Name' and 'Password', the user presses 'OK' and if the user name and password is correct the user will proceed to the main 'Complaint Application' Interface as shown in the next section

The login process is updated with security that the user has to verify the login by verification code generated by the system which is sent to the user and the verification mode is run by dynamically at run time; the verification modes are: email; biometric and SMS.

Prerequisites: For Additional security the MAC address of the authorized system, pre-designated email and approved and registered phone number is required.

Figure 1: Login Screen

The verification modes are Email, SMS and via Biometric verification system.

3.1 Using Verification Form

If the user's verification mode is "Email", then the registered user has to enter the verification code from the Email which is already saved in PCMS database. On correct entry of the verification code the user enters into the main Menu. The user can also press 'Cancel' button if he/she doesn't want to continue.

(For Biometric verification, plz see section 22)
